The following changes are hereby made to the Bid Documents and Specifications for the CPST-04 Professional Services for the Colleton County Solid Waste Transfer Station.

**1. Contract Document Clarification:**

**Division 03 Site Work Section 02 30 00 Subsurface Exploration:** In the event that Surcharge Loading is required during the construction process a no cost change order will be issued on the project to extend the contract duration period for an equivalent amount of time.

**2. Contract Document Clarification:**

**Relocation of Electrical Service to Transfer Station:** At this time, there is no line item provided in the Bid Form for costs associated with the Electrical Services to serve the Transfer Station. The costs for these services will be added during the project via change order once the utility provider has quantified the scope of work for this item.
