This solicitation does not commit Colleton County to award a contract, to pay any costs incurred in the preparation of bids submitted, or to procure or contract for the services. Questions regarding this solicitation must be submitted via email to Carla Harvey, County Engineer at charvey@colletoncounty.org no later than 11:00 am on Thursday, April 16, 2020. Answers to all questions will be posted on the County website as addendums to this bid.

B. SCOPE OF SERVICES

The project consists of grinding/chipping of existing wind-rowed vegetative debris from the clearing of an approximately 35-acre site known as Lot 3 in Colleton County Commerce Center. The chipped material shall be left on-site and used as alternate fill material.

Also included in this project is site filling, grading of the entire Lot 3 area and ditching along the roadsides to achieve positive drainage of the site to the onsite retention pond. Upon grading completion, the project will then be seeded by the contractor to meet SCDHEC/OCRM standards for permanent cover. The designated wetlands area shall not be encroached upon. No additional runoff can be directed toward the wetlands area.

Fill material brought into the site should be clean material. No specific compaction testing will be performed. The material should be compacted well enough so that erosion runoff is not an issue.

Positive drainage grade elevations shall be established by the contractor. Coordination with the County Engineer on this aspect is required.

This contract is a unit price contract. Quantities and distances provided are estimates only. It is the responsibility of the bidder to take all measurements to determine the quantities needed to meet the scope of services listed.

The contractor will have 150 days to complete the project from the issuance of Notice to Proceed.

2. CONTRACTOR’S COOPERATION: The Contractor shall maintain regular communications with the Project Manager and shall actively cooperate in all matters of this contract.

3. RESPONSIBILITY: The Contractor shall at all times observe and comply with all federal, state, local and municipal laws, ordinances, rules, and regulations in any manner affecting the contract.

4. NON-APPROPRIATION/SUBSTITUTION PERMITTED: If the Colleton County Council fails to appropriate or authorize the expenditure of sufficient funds to provide the continuation of this contract or if a lawful order issued in, or for any fiscal year during the term of the agreement, reduces the funds appropriated or authorized in such amounts as to preclude making the payments set out therein, the agreement shall terminate on the date said funds are no longer available without any termination charges or other liability incurring to County. Following any such non-appropriation, the master lease agreement shall contain no limitation on the County’s ability to replace the equipment financed with any other equipment.

5. The Contractor expressly agrees to the extent that there is a causal relationship between its negligence, action or inaction, or the negligence, action or inaction of any of its employees or any person, contractor, or corporation directly or indirectly employed by the Contractor, and any damage, liability, injury, loss or expense (whether in connection with bodily injury or death or property damage or loss) that is suffered by the County and its employees or by any member of the public, to indemnify and save the County and its employees harmless against any liabilities, penalties, demands, claims, lawsuits, losses, damages, costs, and expenses arising out of the performance or default of any resulting agreement or arising from or related to the equipment. Such costs are to include defense, settlement and reasonable attorneys' fees incurred by the County and its employees. This promise to indemnify shall include bodily injuries or death occurring to Contractor's employees and any person, directly or indirectly employed by the Firm (including without limitation any employee of any subcontractor), the County's employees, the employees of any other independent contractor, or occurring to any member of the public. When the County submits notice, the Firm shall promptly defend any aforementioned action.

The prescribed limits of insurance set forth herein shall not limit the extent of the Contractor’s responsibility under this Section. The terms and conditions contained in this Section shall survive the termination of any resulting agreement or the suspension of the Work hereunder. Additionally, the County will not provide indemnity to the successful Firm. Failure to comply with this section may result in your request for proposal to be deemed non-responsive.

6. FORCE MAJEURE: The Contractor shall not be liable for any excess costs if the failure to perform the resulting agreement arises out of causes beyond the control and without fault or negligence of the Contractor. Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor and without excess costs for failure to perform unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required delivery schedule.

The prevailing party shall be entitled to attorney’s fees and all costs of said litigation.
10. ASSIGNMENT: The Contractor shall not assign in whole or in part any agreement resulting from this Request for Bids without the prior written consent of the County. The Contractor shall not assign any money due or to become due to him under the said agreement without the prior written consent of the County.

12. FAILURE TO DELIVER GOODS IN ACCORDANCE WITH TERMS & CONDITIONS: In case of failure to deliver goods per the contract terms and conditions, Colleton County, after due oral or written notice, may procure substitute goods or services from other sources and hold the contractor responsible for any resulting additional purchasing and administrative costs.
