AMENDMENT #6

FM-27 Baseball Quadrangle Design and Construction

This amendment is effective June 3, 2010.

Sealed Best Value Bid FM-27 must be further revised and clarified for answers to questions.

1. Do you have available a Property plat map which would show the property lines for this project?

Answer: Due to the nature of the plat drawing it was impossible to merge it into a proper amendment document. The scanned drawing was emailed to all attendees of the pre-bid conference. In the event anyone did not receive the scanned drawing, contact Kaye for a copy.

2. On page 11 section 4-D – Please clarify how to price these fees.

Answer: The bid requested is a lump sum amount and does not need to be broken down in any way other than by the main project and the alternate bids.

3. On addendum 3 there is no manufacture specified for the Scoreboards. Please clarify.

Answer: The manufacturer of the scoreboards: VARSITY SCOREBOARDS 106 MAX HURT DR. MURRAY, KY 42071 toll free: 866-575-0577 www.varsityscoreboards.com.

4. Is there any additional information on the wetlands at this time?

Answer: As of June 3, 2010 wetlands delineation is currently being performed. No conclusions have been reached.

5. Sewer invert outfall/elevation and size.

Answer: This information is unknown.

6. Can you dig in borrow pit on site?

Answer: No.

7. Size of existing city water tap and pressure at this site.

Answer: This information is unknown.

8. Is any World War II material buried in this proposed site?

Answer: The County is unaware whether or not any World War II material or any other material of a historical nature exists on the site.

9. Can debris be controlled burned on site?

Answer: No

10. Is existing picnic shelter and concrete slab going to be removed by the County?

Answer: No
