4. The Offeror must clearly mark as "Confidential" each part of their response, which they consider to be proprietary information that could be exempt from disclosure under Section 30-40(C) Code of Laws of South Carolina, 1976, Freedom of Information Act. CCEDC II reserves the
right to determine whether this information should be exempt from disclosure and legal action may not be brought against CCEDC II or its agents for its determination in this regard.

5. **RESPONSE FORM**: All responses shall be printed in ink or typewritten. When required, additional pages may be attached.

6. **Offeror** WILL NOT be allowed to offer more than one (1) price for all services provided.

A "No Response" qualifies as a response; however it is the responsibility of the Offeror to notify the Procurement Office if you receive solicitations that do not apply.

**TERMS AND CONDITIONS**

1. **COMPETITION**: This solicitation is intended to promote full and open competition. If any language, specifications, terms and conditions, or any combination thereof restricts or limits the requirements in this solicitation to a single source, it shall be the responsibility of the interested vendor to notify the Procurement Office in writing no later than five (5) business days prior to the scheduled due date and time.

2. **BIDDERS QUALIFICATION**: CCEDC II reserves the right to request satisfactory evidence of their ability to furnish services in accordance with the terms and conditions listed herein. CCEDC II further reserves the right to make the final determination as to the Offeror's ability to provide said services.

3. **BID WITHDRAWAL**: Any responses may be withdrawn prior to the established closing date and time, but not thereafter with proper approval from the Procurement Director.

4. **REJECTION**: CCEDC II reserves the right to reject any and all bids, to cancel or withdraw this solicitation, and to waive any technicality if deemed to be in the best interest of CCEDC II.

5. **WAIVER**: CCEDC II reserves the right to waive any Instruction to Offerors, General or Special Provisions, General or Special Conditions, or specifications deviation if deemed to be in the best interest of CCEDC II.

6. **RESPONSE PERIOD**: All responses shall be good for a minimum period of 60 calendar days.

7. **DEVIATIONS FROM SPECIFICATIONS**: Any deviation from specifications indicated herein must be clearly pointed out; otherwise, it will be considered that items offered are in strict compliance with these specifications, and successful bidder will be held responsible therefore. Deviations must be explained in detail on separate attached sheet(s). The listing of deviations, if any, is required but will not be construed as waiving any requirements of the specifications. Unidentified deviations found during the evaluation of the response may be cause for rejection.
8. **AMENDMENTS**: All amendments to and interpretations of this solicitation shall be in writing and issued by the Procurement Manager of Colleton County.

9. **DEFAULT**: In case of default by the Offeror, CCEDC II reserves the right to purchase any or all items in default in the open market, charging the Offeror with any excessive costs. **Should such charge be assessed, no subsequent solicitation response of the defaulting Offeror will be considered in future bids until the assessed charge has been satisfied.**

10. **NON-APPROPRIATION / SUBSTITUTION PERMITTED**: If CCEDC II fails to appropriate or authorize the expenditure of sufficient funds to provide the continuation of this contract or if a lawful order issued in, or for any fiscal year during the term of the agreement, reduces the funds appropriated or authorized in such amounts as to preclude making the payments set out therein, the agreement shall terminate on the date said funds are no longer available without any termination charges or other liability incurring to CCEDC II. Following any such non-appropriation, the master lease agreement shall contain no limitation on CCEDC II’s ability to replace the equipment financed with any other equipment.

11. **INDEMNIFICATION**: Except for expenses or liabilities arising from the negligence of CCEDC II, the Offeror hereby expressly agrees to indemnify and hold CCEDC II harmless against any and all expenses and liabilities arising out of the performance or default of any resulting agreement or arising from or related to the Work as follows: Offeror expressly agrees to the extent that there is a causal relationship between its negligence, action or inaction, or the negligence, action or inaction of any of its employees or any person, firm, or corporation directly or indirectly employed by the Offeror, and any damage, liability, injury, loss or expense (whether in connection with bodily injury or death or property damage or loss) that is suffered by CCEDC II and its employees or by any member of the public, to indemnify and save CCEDC II and its employees harmless against any and all liabilities, penalties, demands, claims, lawsuits, losses, damages, costs, and expenses arising out of the performance or default of any resulting agreement or arising from or related to the equipment. Such costs are to include defense, settlement and reasonable attorneys’ fees incurred by CCEDC II and its employees. This promise to indemnify shall include bodily injuries or death occurring to Offeror’s employees and any person, directly or indirectly employed by Offeror (including without limitation any employee of any subcontractor), CCEDC II’s employees, the employees of any other independent contractor, or occurring to any member of the public. When CCEDC II submits notice, Offeror shall promptly defend any aforementioned action. The prescribed limits of insurance set forth herein shall not limit the extent of the Offeror’s responsibility under this Section. The terms and conditions contained in this Section shall survive the termination of any resulting agreement or the suspension of the Work hereunder. Additionally CCEDC II will not provide indemnity to the successful bidder. Failure to comply with this section may result in your bid to be deemed non-responsive.

12. **FORCE MAJEURE**: The Offeror shall not be liable for any excess costs if the failure to perform the resulting agreement arises out of causes beyond the control and without fault or
negligence of the Offeror. Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the contractor. If the failure to perform is caused by default of a subcontractor, and if such default arises out of causes beyond the control of both the Offeror and subcontractor and without excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the contractor to meet the required delivery schedule.

13. ARBITRATION: Under no circumstances and with no exception will CCEDC II act as arbitrator between the Offeror and any sub-contractor.

14. PUBLICITY RELEASES: Offeror agrees not to refer to award of this contract in commercial advertising in such a manner as to state or imply that the products or services provided are endorsed or preferred by CCEDC II. The Offeror shall not have the right to include CCEDC II’s name in its published list of customers without prior approval of the County Administrator. With regard to news releases, only the name of CCEDC II, type and duration of any resulting agreement may be used and then only with prior approval of CCEDC II. The Offeror also agrees not to publish, or cite in any form, any comments or quotes from CCEDC II’s staff unless it is a direct quote from the Procurement Director.

15. GOVERNING LAWS: Any agreement arising from this solicitation shall be governed by the laws of the State of South Carolina and any and all disputes arising out of said agreement shall, if litigation is necessary, be litigated only in a Circuit Court for the Fourteenth Judicial Circuit sitting in Colleton County, South Carolina. The prevailing party shall be entitled to attorney’s fees and all costs of said litigation.

16. ASSIGNMENT: The Offeror shall not assign in whole or in part any agreement resulting from this Request for Proposals without the prior written consent of CCEDC II. The Offeror shall not assign any money due or to become due to him under said agreement without the prior written consent of CCEDC II.

17. AFFIRMATIVE ACTION: The successful Offeror will take affirmative action in complying with all Federal and State requirements concerning fair employment and treatment of all employees, without regard or discrimination by reason of race, color, religion, sex, national origin or physical handicap.

18. CONTRACT AWARD:

SPECIFICATIONS FOR PROFESSIONAL SERVICES

The Colleton County Economic Development Corporation II (CCEDII) is requesting proposals from qualified firms to develop an area-wide bike and pedestrian master plan. While the focus of this plan is connecting downtown Walterboro to surrounding points of interest within the unincorporated area, the areas to be examined should also consider other gathering places such as Cottageville, Jacksonboro, Smoaks and Lodge. Facility recommendations should include both on-street and off-street multi use facilities to foster bicycle and pedestrian movement. The scope of work should include an examination of existing bicycle and pedestrian facilities. The plan should identify the desired connections within the developed and rural areas specifying route, estimated cost and potential funding sources.

KEY CONSIDERATIONS

Transportation Planning

The Master Plan should provide pedestrian and transportation components that can be used by SCDOT, City of Walterboro, Colleton County, Town of Cottageville, Lodge and Smoaks, the Lowcountry Council of Governments and the Colleton County Transportation Committee, and other organizations in designing and funding transportation projects.

Connectivity

The major focus of this plan will be connecting downtown Walterboro, via multi use pedestrian facilities, to surrounding points of interest. Points of interest include, but are not limited to, those listed below:

- USC Salkehatchie Campus
- Colleton Medical Center
- Colleton High School
• Colleton County Recreation Complex
• Great Swamp Sanctuary

All connections should be presented as a stand-alone project with cost estimates and potential route options. The connections listed above should be included in the plan as well as needs in the rural areas where connections are logical and support local demand for such facilities. Other connections may be added as the consultant, citizen’s advisory group and county staff meet to discuss the planning effort.

Recreation and Downtown

All identified plan routes should integrate into the City of Walterboro’s current Downtown Master Plan, allowing for future bicycle and pedestrian connections. Special attention should be paid not only the transportation uses of the identified pedestrian facilities but to the potential recreation uses of the routes to include the Colleton County Recreation Complex. Where possible, current recreation facilities as well as Downtown activity centers and/or attractions should be incorporated into the proposed routes.

DELIVERABLES

Evaluation of Existing Conditions

• Inventory and evaluate existing sidewalks, bike lanes, trails, and other bicycle and pedestrian facilities.
• The consultant should evaluate transportation data, including, but not limited to, traffic counts, bike/pedestrian crash data, and other statistics relevant to the plan. The consultant will collect or generate data sufficient to complete the plan.
• CCED II will make accessible to the consultant available documents, statistics, GIS, current bike/pedestrian plans, and other data pertaining to existing and future multi-use pedestrian facilities.
• The completed plan should be delivered in both paper and digital format ensuring the plan can be distributed through the County’s and City’s website.

Bicycle and Pedestrian Network Needs

• Utilizing a citizen advisory group and recognized planning practices, develop a methodology for assessing and prioritizing pedestrian network needs based on existing facilities and amenities, population density, traffic, safety, policy, current usage, and ease to downtown Walterboro.
• Provide unit cost per facility type. For those projects of the highest priority provide more detailed cost estimates. Please include design examples (typical) for proposed facilities.
• Provide graphic renderings of proposed and conceptual facilities; maps showing proposed facilities; and conceptual map of what the fully implemented plan would look like.
PROJECT TIME TABLE AND COST

It will be consultant’s responsibility to prepare a time table for completion of the planning process and draft preparation. The project must be completed in 9 months upon contract execution. The CCED II reserves the right to extend this timetable as needed once the consultant is chosen and a contract has been negotiated. Funding for this project shall not exceed $37,000.
