i) All proposals shall be complete and carefully worded, and must convey all of the information requested by the County. If significant errors are found in the proposal, or if the proposal fails to conform to the essential requirements of the RFP, the County and the County alone, will be the judge as to whether that variance is significant enough to reject the proposal.

ii) Proposals are to be prepared simply and in a manner designed to provide the County with a straightforward presentation of the Proposer’s capability to satisfy the requirements of this RFP. The Proposer’s proposal must, therefore, follow the RFP format, utilizing the same section titles, schedules, and paragraphs.

The additional presentations, if any, will also be scored and combined with prior scoring to determine the successful Proposer. The County is not obligated to accept the lowest cost proposal. The County may also award to other than the highest ranked proposer if the price submitted by that proposer is more than the budget available for the project. The award of the contract, if awarded, will be made to the Proposer providing the most responsive, responsible proposal that provides the best overall value and service. The award, if awarded, will take into consideration several factors, including the soundness and flexibility of the proposal, functional capability, quality of performance, quality of service, and the time specified in the proposal for the performance of the contract, ability to provide support, overall cost, and the Proposer’s references. The County reserves the right to reject all proposals or accept such proposals, as appears in its own best interest, and to waive technicalities or irregularities of any kind in the proposal. or its agents. It is the Proposer’s responsibility to acknowledge receipt of amendments by signing and

approval of the Procurement Manager.

Colleton County, South Carolina, to the responsive, responsible Proposer whose proposal is
determined to be the most advantageous to the County based on the criteria discussed above.

County shall be the sole judge as to whether a Proposer’s proposal has or has not satisfactorily met
the requirements of this RFP.

include this entire solicitation, all applicable amendments, and the successful Proposer’s proposal.

i) The County shall reserve the unqualified right to reject any and all proposals or accept such

vi) The County may reject any proposal that fails to conform to any delivery schedule or permissible alternates stated in the RFP.

vii) The County may reject a proposal when the Proposer imposes conditions that would modify requirements of the invitation or limit the Proposer’s liability to the County, since to allow the Proposer to impose such conditions would be prejudicial to other Proposers. For example, the County may reject proposals in which the Proposer:

1) Protects against future changes in conditions, such as increased costs, if total possible costs to the County cannot be determined;

2) Fails to state a fee schedule, if one is required.

viii) A Proposer may be requested to delete objectionable conditions from a proposal provided the conditions do not go to the substance, as distinguished from the form of the proposal, or work an injustice on other Proposers. A condition goes to the substance of a proposal where it affects price, quality, or delivery of the services offered.

ix) Any proposal may be rejected if the Procurement Manager determines in writing that it is unreasonable as to price. Unreasonableness of price includes not only the total price of the proposal, but the prices for any individual line items as well.

x) Any proposal may be rejected if the prices for any line items or sub-line items are materially unbalanced.

xi) Proposals received from any person or concern that is suspended, debarred, proposed for debarment or declared ineligible as of the proposal opening date shall be rejected unless a compelling reason determination is made.

xii) The Procurement Manager must reject Proposals received from entities determined to be non-responsible.

h) After submitting a proposal, if all of a Proposer’s assets or that part related to the proposal are transferred during the period between the proposal opening and the award, the transferee may not be able to take over the proposal. Accordingly, the Procurement Manager shall reject the proposal unless merger, operation of law or other means not barred by law effects the transfer.

i) COMPLETE DOCUMENTS.

All supplementary documents and attachments are essential parts of this RFP and requirements occurring in one are as binding as though occurring in all.

j) CONTRACT ADMINISTRATION.

Questions or problems arising after award of this contract shall be directed to the Procurement Manager by calling 843-549-5221. Copies of all correspondence concerning this contract shall be sent to the Procurement Manager, 31 Klein Street, Walterboro SC 29488. original purchase order or contract without prior written approval of the Procurement Manager.

k) COVENANT AGAINST CONTINGENT FEES.

The Proposer warrants that no person or selling agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Proposer for the purpose of securing business. For breach or violation of this warranty, the County shall have the right to annul this agreement without liability or in its discretion to deduct from the contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

l) DEFAULT.

In case of default by the Successful Proposer, the County reserves the right to purchase any or all services in open market, charging said Proposer with any excess costs. Should such charges be assessed, no subsequent Proposals of the defaulting Proposer shall be considered until the assessed charges have been satisfied.

m) SUBCONTRACTS.

Proposer shall not subcontract work hereunder without the prior written consent of the County, and any such subcontract without consent of the County shall be null and void. The County shall have the right to reject any Subcontractor which it considers unable or unsuitable to satisfactorily perform its duties. Proposer shall not enter into any cost reimbursable agreements with any proposed Subcontractor without County’s prior written authorization. Notwithstanding any consent by the County to a proposed subcontract, Proposer shall remain responsible for all subcontracted work and services. Proposer agrees it shall be as fully responsible to the County for the acts and omission of its Subcontractors, their agents, representatives, and persons either directly or indirectly employed by them as it is for the acts and omissions of persons directly employed by Proposer. Neither this provision, the agreement, the County’s authorization of Proposer’s agreement with Subcontractor, County’s inspection of a subcontractor’s facilities or work, or any other action taken by the County in relation to a Subcontractor shall create any contractual relationship between any Subcontractor and the County.

Proposer shall include in each of its subcontracts a provision embodying the substance of this provision and shall exhibit a copy thereof to the County before commencement of any work by a Subcontractor. Proposer’s violation of this provision shall be grounds for the County’s termination of this agreement for default, without notice or opportunity for cure. In addition, Proposer indemnifies and holds the County harmless from and against any claims (threatened, alleged, or actual) made by any Subcontractor of Proposer (of any tier) for compensation, damages, or otherwise, including any cost incurred by the County to investigate, defend, or settle any such claim.

SECTION 2 INTRODUCTION & BACKGROUND

Founded in 1682, Colleton County serves a population of approximately 35,000 under a Council/Administrator form of government as provided in Title 14 of the 1962 Code of Laws of South Carolina as amended (Home Rule Act). The County’s Fiscal Year is July 1 to June 30. Total governmental revenues for fiscal year 2013 were over $34 million and expenditures were over $36 million. The reporting entity includes all offices of elected County officials, including Clerk of Court, Probate Judge, Coroner, Auditor, Treasurer, Solicitor, and Sheriff, as well as the administrative offices of the County. The County has discretely presented component units.

County Council is responsible for legally enacting the annual budgets for the General Fund, 16 Special Revenue funds, 3 Debt Service funds and 4 Capital Projects funds by the passing of an ordinance. Budgeted revenues, appropriations, and capital expenditure encumbrances are incorporated into the accounting system. The County currently maintains approximately 89 bank accounts. The County maintains records for these and additional agency funds, as well as, the General Fund, various special revenue funds, capital projects funds, and debt service funds. A single audit is also required for the Federal Funds expenditures, which totaled $1.282 million in FY13. With roughly fifty (50) departments, Colleton County employs approximately 392 full-time employees.

Colleton County uses accounting software by Computers Software Innovations, LLC (CSI) for General Ledger, Payroll, Human Resources, Accounts Payable, Fixed Assets, and Purchasing. The Treasurer’s Office is responsible for the collection, receipting, and recording of cash receipts and investments. The Finance Department is responsible for the processing of payroll, accounts payable, capital asset, and general ledger transactions.

Baird & Company CPA’s, LLC, performed the most recent audit covering the fiscal year ended June 30, 2013. The audit report dated December 2, 2013 was unqualified in all material respects.

SECTION 3 SCOPE OF SERVICES

Colleton County is soliciting the services of a qualified firm of licensed certified public accountants to audit the County’s financial statements. Under South Carolina law, Colleton County Council must provide for an independent annual audit of all financial records and transactions of the County to be made by a certified public accountant (or firm of such accountants), who has no personal interest, direct or indirect, in the fiscal affairs of the County government or its officers. The audit shall be conducted as soon as possible after the close of the fiscal year.

This RFP has been compiled for the purpose of providing information, requirements, guidelines, specifications, and other data that can be used by auditors who wish to submit a proposal for consideration. All proposals must address the audit services detailed herein.

The audit shall include an examination of the financial statements of all funds and account groups of Colleton County. A copy of the County’s Comprehensive Annual Financial Report (CAFR) for the year ended June 30, 2013 is available for review on the County’s website at:

http://www.colletoncounty.org/financial-reports

The audit will cover fiscal year ending June 30, 2015. Additional work and/or special projects will be negotiated. If the auditor is unwilling to continue under the terms of the contract, the County may release them from its obligations. However, a six (6) months’ notice by the auditor will be required and it will not be permitted to bid on the next contract. If the auditor fails to provide the required reports prior to December 24,
County Council retains the rights to discontinue the contract and retain another auditor. It is the intention of the County to award this contract for one year with two (2) one-year renewals if both parties are in agreement.

Colleton County desires the auditor to express an opinion on the fair presentation of its general-purpose financial statements in conformity with generally accepted accounting principles.

The auditor is required to audit the individual and combined fund financial statements, and other supplementary schedules. The auditor is not required to audit the statistical section.

Colleton County will submit its CAFR to the Governmental Finance Officers Association of the United States and Canada (GFOA) for review in their Certificate of Achievement for Excellence in Financial Reporting program.

3.1 AUDITING STANDARDS TO BE FOLLOWED

To meet the requirements of this bid process, the audit shall be performed in accordance with generally accepted auditing standards as set forth by the American Institute of Certified Public Accountants, the standards for financial audits set forth in the U.S. General Accounting Office’s Governmental Auditing Standards (1994), the provisions of the Single Audit Act Amendments of 1996, and the provisions of U.S. Office of Management and Budget (OMB) Circular A-133, Audits of State and Local Governments and Non-Profit Organizations.

3.2 REPORTS TO BE ISSUED

The following is a list of required reports that the auditor must prepare:

- Auditor’s opinion on the County’s financial statements
- Report on Internal Controls and Compliance Based on an Audit, which must be performed in accordance with Government Auditing Standards
- Report on Compliance with Requirements Applicable to Each Major Program and Internal Control Over Compliance in Accordance with OMB Circular A-133
- Schedule of Findings and Questioned Costs
- Electronic submission of Data Collection Form (SF-SAC)

3.3 SUBCONTRACTING

Firms anticipating subcontracting any portion of this engagement shall so state in their proposal and identify their proposed subcontractor(s). Following the award of the audit contract, no additional subcontracting will be allowed without express prior written consent of the County.

3.4 TIME REQUIREMENTS

A pre-audit conference will be held with the CFO and the successful firm to discuss the scope of the audit and the audit schedule. The start date for preliminary field work will be September 2, 2014; however, a preliminary trial balance can be requested in May or June to allow the firm to setup their files. Colleton County will have records ready for the formal audit by September 30, 2014.

A tentative schedule for the 2014 fiscal year audit is requested as part of the response to the proposal. A similar time schedule will be developed for audits of future fiscal years, if Colleton County exercises its option for additional audits. All aspects of the audit must be concluded prior to December 24, 2014.
3.5 ASSISTANCE TO BE PROVIDED BY COLLETON COUNTY

During the audit, the auditor may be required to meet with elected officials, the County Administrator, the CFO, and/or other County staff to discuss the audit or related matters.

The auditor’s principal contact for Colleton County will be Dennis E. Averkin, Administrative Services Director / CFO, or a designated representative, who will coordinate the assistance to be provided by Colleton County to the auditor.

Colleton County will provide the auditor with reasonable workspace, desks, and chairs. The auditor will also be provided access to the Smart Fusion accounting program with inquire-only privileges, the internet, a telephone line, office equipment for copying, printing, scanning, and faxing and various financial records.

GENERAL CONDITIONS

1. **County's Right to Stop the Work.** If the Company fails to correct Work which is not in accordance with the requirements of the Contract Documents or persistently fails to carry out Work in accordance with the Contract Documents, the County may issue a written order to the Company to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, the right of the County to stop the Work shall not give rise to a duty on the part of the County to exercise this right for the benefit of the Company or any other person or entity.

2. **County's Right to Carry Out the Work.** If the Company defaults or neglects to carry out the Work in accordance with the Contract Documents and fails within a seven-day period after receipt of written notice from the County to commence and continue correction of such default or neglect with diligence and promptness, the County may, without prejudice to other remedies the County may have, correct such deficiencies. In such case an appropriate Change Order shall be issued deducting from payments then or thereafter due to the Company the reasonable cost of correcting such deficiencies, including County’s expenses and compensation for the additional services made necessary by such default, neglect or failure. If payments then or thereafter due the Company are not sufficient to cover such amounts, the Company shall pay the difference to the County.

3. **Supervision.** The Company shall supervise and direct the Work, using the Company’s best skill and attention. The Company shall be solely responsible for and have control over the Work, means, methods, techniques, equipment, sequences, and procedures and for coordinating all portions of the Work, pursuant to the specifications and the Contract Documents. The County shall have the sole right to determine whether key personnel proposed as substitutes are qualified to perform the Work. The County shall not unreasonably withhold approval of staff changes.

4.2 The Company shall enforce strict discipline and good order among the Company’s employees and other persons carrying out the Work. The Company shall not permit employment of persons not properly licensed to perform the work assigned, unfit persons, or persons not skilled in tasks assigned to them.

5 Warranty. The Company warrants to the County that services furnished and Work performed under the Contract Documents will be of good quality, consistent with industry standards, and that the Work will conform to the requirements of the Contract Documents. The Company further warrants to the County that it possesses a high level of experience and expertise in the services to be provided under the Contract Documents. Work not conforming to the requirements set forth in the Contract Documents, including substitutions not properly approved and authorized, may be considered defective. The foregoing warranties are in addition to, and not in lieu of, any and all other liability imposed upon the Company by law with respect to the Company’s duties, obligations, and performance hereunder. The Company acknowledges that the County is relying upon the Company’s skill and experience in connection with the Work.

6 Company Assurance of Good Standing. The Company warrants that it is not in arrears to the County upon debt or contract and is not in default as surety, consultant or otherwise on any obligation to the County. The Company warrants that is financially solvent, able to pay all debts as they mature, and is possessed of sufficient working capital to complete the Work and perform all obligations hereunder. The Company warrants that it is authorized to do business in the State of South Carolina and is properly licensed by all necessary governmental and public and quasi-public authorities having jurisdiction over it and over the Work.

7 Taxes. The Company shall pay all sales, consumer, use and similar taxes for the Work provided by the Company.

8 Laws and Notices.

8.1 The Company shall comply with and give notices required by laws, ordinances, rules, regulations and lawful orders of public authorities applicable to performance of the Work.

8.1 If the Company performs Work knowing it to be contrary to laws, statutes, ordinances, and/or rules and regulations, the Company shall assume appropriate responsibility for such Work and shall bear the costs attributable to correction.

9 Limitation on Liability, Release, and Indemnification.

9.1 The Company hereby releases the County from any claim or liability for damages that the Company may have arising out of the Contract Documents for property damage, injury or death.

9.2 The Company will hold the County harmless and indemnify the County, its agents, officers, County Council members, and employees from and against any and all claims, actions or causes of action and for any and all damages, liabilities, claims, penalties, expenses and costs, including, but not limited to, attorney’s and other professional fees, arising out of the Contract Documents or the performance of the services described or referred to in the Contract Documents, specifically including, without limitation, the Work, but only to the extent caused by the negligent or intentional acts or omissions of the Company, or anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder. Such obligation will not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person.

9.3 Company shall assume all risks and responsibilities for losses of every description in connection with the service that can be attributed either directly or indirectly to the Company.

9.4 Any approval or payment by the County shall not constitute, nor be deemed a release of the responsibility and liability of the Company, its employees, subcontractors, agents and consultants for the Work; nor shall such approval or payment be deemed to be an assumption of such responsibility by the County for any defect, error or omission in the Work performed by the Company, its employees, subcontractors, agents and consultants.
9.5 All indemnification and release provisions in favor of the County shall survive the expiration or sooner termination of the Contract Documents.

10 **Enforcement.** The Company agrees to pay to the County all costs and expenses including reasonable attorney's fees incurred by the County in exercising any of its rights or remedies in connection with the enforcement of the Contract Documents.

11 **Status of Company as Independent Contractor.** It is expressly agreed that Company’s status hereunder is that of an independent contractor and that Company is not an agent, employee, servant, partner, or joint venture of the County. Company is exclusively responsible for and in control of the Company’s employees and agents, and performance of Company’s duties hereunder. Neither Company nor any person hired by Company shall be considered employees of the County for any purpose.

12 **Subcontractual Relations.**

12.1 Company will not subcontract work or services under the Contract Documents without the prior written consent of the County, and any such subcontract without consent of the County shall be null and void.

12.2 If Company proposes to subcontract any of the work or services under the Contract Documents, the Company will submit to the County the name of each proposed Subcontractor along with the proposed scope of work which its Subcontractor is to undertake. The County has the right to reject access to or use of any Subcontractor which the County considers unable or unsuitable to satisfactorily perform its duties.

12.3 Company agrees it shall be as fully responsible to the County for any act or omission of the Company’s Subcontractors, their agents, representatives, and persons either directly or indirectly employed by them as it is for the acts and omissions of persons directly employed by Company. Neither this provision, the County’s authorization of Company’s agreement with Subcontractor, County’s inspection of a Subcontractor’s facilities or work, or any other action taken by the County in relation to a Subcontractor shall create any contractual relationship between any Subcontractor and the County.

12.4 By appropriate agreement, written where legally required for validity, the Company shall require each Subcontractor, to the extent of the Work to be performed by the Subcontractor, to be bound to the Company by terms of the Contract Documents, and to assume toward the Company all the obligations and responsibilities, including the responsibility for safety of the Subcontractor’s Work, which the Company, by these Documents, assumes toward the County. Each subcontract agreement shall preserve and protect the rights of the County with respect to the Work to be performed by the Subcontractor so that subcontracting thereof will not prejudice such rights. Where appropriate, the Company shall require each Subcontractor to enter into similar agreements with Sub-subcontractors. The Company shall make available to each proposed Subcontractor, prior to the execution of the subcontract agreement, copies of the Contract Documents to which the Subcontractor will be bound, and upon written request of the Subcontractor, identify to the Subcontractor terms and conditions of the proposed subcontract agreement which may be at variance with the Contract Documents.

13 **Contingent Assignment of Subcontracts.** Each subcontract agreement for a portion of the Work is assigned by the Company to the County provided that: (a) assignment is effective only after termination of the Contract Documents by the County for cause and only for those subcontract agreements which the County accepts by notifying the Subcontractor and Company in writing; and, (b) assignment is subject to the prior rights of the surety, if any, obligated under bond relating to the Contract Documents.

14 **Limitations on Assignment of the Contract Documents.** Company will not assign or transfer any interest in the Contract Documents without the prior written consent of the County, and any attempt to do any of the foregoing without such prior written consent shall be null, void, and of no effect. Any assignment or transfer of any interest in the Contract Documents will be subject to compliance with the provisions of the Contract Documents and will not alleviate any of Company’s obligations in the Contract Documents.

15 **Termination by the County for Cause.**
15.1 If the Company persistently disregards laws, ordinances, or rules, regulations or orders of a public authority having jurisdiction; or is guilty of any other material breach of a provision of the Contract Documents, the County may, without prejudice to any other rights or remedies of the County, provide written notice of termination of the Contract Documents and subsequently terminate the Contract Documents seven (7) days after said written notice and may accept assignment of subcontracts as provided herein; or finish the Work by whatever reasonable method the County may deem expedient. Upon request of the Company, the County shall furnish to the Company a detailed accounting of the costs incurred by the County in finishing the Work.

15.2 When the County terminates the Contract Documents for one of the reasons stated in the preceding paragraph, the Company shall not be entitled to receive further payment until the Work is completed.

15.3 If the unpaid balance of the Contract Sum exceeds costs of finishing the Work, and other damages incurred by the County which have not been expressly waived, such excess shall be paid to the Company as set forth in the Agreement. If such costs and damages exceed the unpaid balance, the Company shall pay the difference to the County. This obligation of payment to the Company or County, as the case may be, shall survive termination of the Contract Documents.

16 Suspension by the County for Convenience. The County may, without cause, order the Company in writing to suspend, delay or interrupt the Work in whole or in part for such period of time as the County may determine.

17 Termination by the County for Non-Apropiation. The Company hereto agrees that payments due from the County, as required under the terms of the Contract Documents, if any, are contingent upon the availability of appropriated funds. In the case of non-appropriation of funds, the County may terminate the Contract Documents in whole or in part without further obligation to the Company.

18 Termination by the County for Convenience.

18.1 The County may, at any time, terminate the Contract Documents for the County’s convenience and without cause.

18.2 Upon receipt of written notice from the County of such termination for the County’s convenience, the Company shall:

18.2.1 cease operations as directed by the County in the notice;

18.2.2 take actions necessary, or that the County may direct, for the protection and preservation of the Work; and

18.2.3 except for Work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.

18.3 In case of such termination for the County’s convenience, the Company shall be entitled to receive payment for documented Work already executed, and costs incurred, at the time of receiving the written notice.

19 Obligations upon Expiration or Earlier Termination.

19.1 Upon the expiration or earlier termination of this Agreement, the Company shall promptly:

19.1.1 Upon request by the County, deliver to the County or such other person as the County shall designate all materials, supplies, equipment, keys, contracts and documents, all books of account and records maintained pursuant to the Contract Documents, pertaining to this Agreement.

19.1.2 Deliver to the County, in a reasonably organized form without restriction on future use, reproducible original plans, field surveys, maps, cross sections and other data, designs and instruments of service related to the Work.
19.1.3 Cooperate in providing all information, should the County subsequently contract with a new company for continuation of the Work.

19.1.4 Furnish all such information, take all such other action, and cooperate with the County as the County shall reasonably require to effectuate an orderly and systematic termination of the Work and the Company’s services, duties, obligations and activities hereunder.

19.1.5 Furnish a report of all outstanding orders for services, materials and supplies ordered by the Company as a result of its obligations arising under this Agreement at the time of expiration or termination. Such report shall include the status of payment for such services, including whether they have been charged to or paid by the Company. Such report shall be furnished no later than thirty (30) Calendar Days after the date of expiration or termination.

20 Insurance. The Company shall, at its sole cost and expense, procure and maintain in full force and effect covering the performance of the services rendered under the Contract Documents, insurance in the types and limits specified below. In addition to the insurance coverage and limits listed herein, the Company shall obtain all other insurance coverage as may be required by law.

20.2.1 Limits of Liability: $1,000,000 Combined Single Limit, $1,000,000 Each Occurrence Limit and $5,000 Medical Expense Limit.

20.3.1 Limits of Liability: Workers’ Compensation - Statutory Limits.
County’s Liability - Statutory Limits.

20.3.2 Other States’ coverage and South Carolina endorsement.

20.4 All insurance provided for in this section shall be obtained under valid and enforceable policies issued by insurers of recognized responsibility which are licensed to do business in the State of South Carolina. The County requires that Certificates of Insurance evidencing the existence of such insurance shall be submitted to the County at least ten (10) days before the Work is started. If the term of the Agreement coincides with the term of the selected firm’s insurance coverage, a Certificate from the expiring policy will be accepted, but a Certificate evidencing renewed coverage of a new policy must be presented to the County no later than thirty (30) days after the effective date of the policy.

20.5 Each policy and Certificate of Insurance shall contain an endorsement naming the County as additional insured party thereunder; and a provision that at least thirty (30) days prior written notice be given to the County in the event coverage is canceled or non-renewed or coverage is reduced.

20.6 If the Company desires to self-insure any or all of the coverage’s listed in this section, it shall provide to the County documentation that such self-insurance has received all the approvals required by law or regulations, as well as the most recent audited financial statement of the selected firm’s insurance. Any coverage which is self-insured shall provide the same coverage limits and benefits as the coverage’s listed in this section.
20.7 The County reserves the right to review categories and levels of insurance coverage held by the Company in an ongoing program of risk management. The Company will be notified, in writing, coverage requirements as determined by this review and the Company agrees to secure such uniformly requested and required coverage.

20.8 If the Company fails to obtain or maintain the required insurance, the County shall have the right to treat such failure as a material breach of the Contract Documents and to exercise all appropriate rights and remedies as a result thereof.

20.9 The Company shall include all subcontractors as insured’s under its policies or shall furnish separate Certificates and endorsements for each subcontractor. All coverage’s for subcontractors shall be subject to all of the requirements stated in the Contract Documents.

20.10 It is the intent of the specifications of insurance requirements above that the Company shall maintain in force the broadest commonly available coverage against the risks and perils listed above. If insurance against the listed risks and perils is commonly available, the failure to specify such insurance shall not relieve the Company from its duty to maintain such insurance. Also, the specification of any insurance in the Contract Documents does not limit any of the other obligations of the Company under those documents.

21 No Waiver of Breach. No failure by either the County or Company to insist upon the strict performance by the other of any covenant, agreement, term or condition of the Contract Documents, or to exercise any right or remedy consequent upon a breach of any covenant, agreement, term or condition of the Contract Documents, shall constitute a waiver of any such breach or of such covenant, agreement, term or condition. No waiver of any breach shall affect or alter the Contract Documents, but each and every covenant, condition, agreement and term of the Contract Documents shall continue in full force and effect with respect to any other then existing or subsequent breach.

22 Waivers and Amendments to the Contract Documents. No modification, waiver, amendment, discharge or change of the Contract Documents will be valid unless the same is in writing and signed by the party against which the enforcement of such modification, waiver, amendment, discharge or change is or may be sought.

23 Mediation.

23.1 If the parties are unable to resolve any claims between them, the parties shall endeavor to resolve their claims by mediation which, unless the parties mutually agree otherwise, shall be in accordance with the Commercial Mediation Rules of the American Arbitration Association currently in effect. 25 Notice to Company and the County. Unless otherwise specifically provided in the Contract Documents or by law, any and all notices or other communications required or permitted by the Contract Documents or by law to be served on, given to, or delivered to any party to the Contract Documents will be in writing and will be deemed duly served, given, delivered and received when personally delivered (including confirmed overnight delivery service to the party to whom it is directed), or without personal delivery, when three (3) business days have elapsed following deposit of the notice or other communication in the United States mail, first-class postage prepaid, certified, return receipt requested, and:

27  **Undue Influence.** Company agrees not to hire any County personnel who may exercise or have exercised discretion in the awarding, administration or continuance of the Contract Documents for one (1) year following the termination of the employee from County service.

29  **Compensation General Terms and Conditions.**

29.2  The County will not make payment on behalf of the Company to any fringe benefit program, or withhold any money from compensation for any federal, state or local tax program or for any other reason, all of such obligations belonging exclusively to the Company.
30 **Severability of Terms of the Contract Documents.** In the event any portion of the Contract Documents is declared invalid or unenforceable by any entity of competent jurisdiction, the remaining portions of the Contract Documents are and shall be deemed separable and shall remain in full force and effect.
