B. INTRODUCTION & BACKGROUND

Founded in 1682, Colleton County serves a population of approximately 37,000 under a Council/Administrator form of government as provided in Title 14 of the 1962 Code of Laws of South Carolina as amended (Home Rule Act). The County’s Fiscal Year is July 1 to June 30. Total governmental revenues for fiscal year 2016 were roughly $48 million and expenditures were over $46 million. The reporting entity includes all offices of elected County officials, including Clerk of Court, Probate Judge, Coroner, Auditor, Treasurer, Solicitor, and Sheriff, as well as the administrative offices of the County. The County has two discretely presented component units.

County Council is responsible for legally enacting the annual budgets for the General Fund, thirteen (13) Special Revenue funds, three (3) Debt Service funds and five (5) Capital Projects funds by the passing of an ordinance. Budgeted revenues, appropriations, and capital expenditure encumbrances are incorporated into the accounting system. The County currently maintains approximately 75 bank accounts that consist of both County Treasurer controlled and department controlled. The County maintains records for these and additional agency funds, as well as, the General Fund, various special revenue funds, capital projects funds, and debt service funds. A single audit is also required for the Federal Funds expenditures, which totaled $1.4 million in FY16. With roughly fifty (50) departments, Colleton County employs approximately 522 full-time employees.

Colleton County uses the Smart Fusion accounting software by Harris Local Government for General Ledger, Payroll, Human Resources, Accounts Payable, Fixed Assets, and Purchasing. The Treasurer’s Office uses Manatron software and is responsible for the collection, receipting, and recording of cash receipts and investments. The Finance Department is responsible for the processing of payroll, accounts payable, capital asset, and general ledger transactions.

Mauldin and Jenkin, LLC, performed the most recent audit covering the fiscal year ended June 30, 2016. The audit report dated December 16, 2016 was unqualified in all material respects.
C. SCOPE OF SERVICES

1. **County’s Right to Stop the Work.** If the Company fails to correct Work which is not in accordance with the requirements of the Contract Documents or persistently fails to carry out Work in accordance with the Contract Documents, the County may issue a written order to the Company to stop the Work, or any portion thereof, until the cause for such order has been eliminated; however, the right of the County to stop the Work shall not give rise to a duty on the part of the County to exercise this right for the benefit of the Company or any other person or entity.

2. **County’s Right to Carry Out the Work.** If the Company defaults or neglects to carry out the Work in accordance with the Contract Documents and fails within a seven-day period after receipt of written notice from the County to commence and continue correction of such default or neglect with diligence and promptness, the County may, without prejudice to other remedies the County may have, correct such deficiencies. In such case an appropriate Change Order shall be issued deducting from payments then or thereafter due to the Company the reasonable cost of correcting such deficiencies, including County’s expenses and compensation for the additional services made necessary by such default, neglect or failure. If payments then or thereafter due the Company are not sufficient to cover such amounts, the Company shall pay the difference to the County.

The County shall have the sole right to determine whether key personnel proposed as substitutes are qualified to perform the Work. 1.3 The Company shall enforce strict discipline and good order among the Company’s employees and other persons carrying out the Work. The Company shall not permit employment of persons not properly licensed to perform the work assigned, unfit persons, or persons not skilled in tasks assigned to them.

5. **Warranty.** The Company warrants to the County that services furnished and Work performed under the Contract Documents will be of good quality, consistent with industry standards, and that the Work will conform to the requirements of the Contract Documents. The Company further warrants to the County that it possesses a high level of experience and expertise in the services to be provided under the Contract Documents. Work not conforming to the requirements set forth in the Contract Documents, including substitutions not properly approved and authorized, may be considered defective. The foregoing warranties are in addition to, and not in lieu of, any and all other liability imposed upon the Company by law with respect to the Company’s duties, obligations, and performance hereunder. The Company acknowledges that the County is relying upon the Company’s skill and experience in connection with the Work.

6. **Company Assurance of Good Standing.** The Company warrants that it is not in arrears to the County upon debt or contract and is not in default as surety, consultant or otherwise on any obligation to the County. The Company warrants that it is financially solvent, able to pay all debts as they mature, and is possessed of sufficient working capital to complete the Work and perform all obligations hereunder. The Company warrants that it is authorized to do business in the State of South Carolina and is properly licensed by all necessary governmental and public and quasi-public authorities having jurisdiction over it and over the Work.

7. **Taxes.** The Company shall pay all sales, consumer, use and similar taxes for the Work provided by the Company.

8. **Laws and Notices.**

8.1 The Company shall comply with and give notices required by laws, ordinances, rules, regulations and lawful orders of public authorities applicable to performance of the Work.

8.2 If the Company performs Work knowing it to be contrary to laws, statutes, ordinances, and/or rules and regulations, the Company shall assume appropriate responsibility for such Work and shall bear the costs attributable to correction.

9. **Limitation on Liability, Release, and Indemnification.**

9.1 The Company hereby releases the County from any claim or liability for damages that the Company may have arising out of the Contract Documents for property damage, injury or death.

9.2 The Company will hold the County harmless and indemnify the County, its agents, officers, County Council members, and employees from and against any and all claims, actions or causes of action and for any and all damages, liabilities, claims, penalties, expenses and costs, including, but not limited to, attorney’s and other professional fees, arising out of the Contract Documents or the performance of the services described or referred to in the Contract Documents, specifically including, without limitation, the Work, but only to the extent caused by the negligent or intentional acts or omissions of the Company, or anyone directly or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder. Such obligation will not be construed to negate, abridge, or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person.

9.3 Company shall assume all risks and responsibilities for losses of every description in connection with the service that can be attributed either directly or indirectly to the Company.
9.4 Any approval or payment by the County shall not constitute, nor be deemed a release of the responsibility and liability of the Company, its employees, subcontractors, agents and consultants for the Work; nor shall such approval or payment be deemed to be an assumption of such responsibility by the County for any defect, error or omission in the Work performed by the Company, its employees, subcontractors, agents and consultants.

9.5 All indemnification and release provisions in favor of the County shall survive the expiration or sooner termination of the Contract Documents.

10. Enforcement. The Company agrees to pay to the County all costs and expenses including reasonable attorney's fees incurred by the County in exercising any of its rights or remedies in connection with the enforcement of the Contract Documents.

11. Status of Company as Independent Contractor. It is expressly agreed that Company's status hereunder is that of an independent contractor and that Company is not an agent, employee, servant, partner, or joint venture of the County. Company is exclusively responsible for and in control of the Company’s employees and agents, and performance of Company’s duties hereunder. Neither Company nor any person hired by Company shall be considered employees of the County for any purpose.

12. Subcontractual Relations

12.2 Company will not subcontract work or services under the Contract Documents without the prior written consent of the County, and any such subcontract without consent of the County shall be null and void.

12.3 If Company proposes to subcontract any of the work or services under the Contract Documents, the Company will submit to the County the name of each proposed Subcontractor along with the proposed scope of work which each Subcontractor is to undertake. The County has the right to reject access to or use of any Subcontractor which the County considers unable or unsuitable to satisfactorily perform its duties.

12.4 Company agrees it shall be as fully responsible to the County for any act or omission of the Company’s Subcontractors, their agents, representatives, and persons either directly or indirectly employed by them as it is for the acts and omissions of persons directly employed by Company. Neither this provision, the County’s authorization of Company’s agreement with Subcontractor, County’s inspection of a Subcontractor’s facilities or work, or any other action taken by the County in relation to a Subcontractor shall create any contractual relationship between any Subcontractor and the County.

12.5 By appropriate agreement, written where legally required for validity, the Company shall require each Subcontractor, to the extent of the Work to be performed by the Subcontractor, to be bound to the Company by terms of the Contract Documents, and to assume toward the Company all the obligations and responsibilities, including the responsibility for safety of the Subcontractor’s Work, which the Company, by these Documents, assumes toward the County. Each subcontract agreement shall preserve and protect the rights of the County with respect to the Work to be performed by the Subcontractor so that subcontracting thereof will not prejudice such rights. Where appropriate, the Company shall require each Subcontractor to enter into similar agreements with Sub-subcontractors. The Company shall make available to each proposed Subcontractor, prior to the execution of the subcontract agreement, copies of the Contract Documents to which the Subcontractor will be bound, and upon written request of the Subcontractor, identify to the Subcontractor terms and conditions of the proposed subcontract agreement which may be at variance with the Contract Documents.
36

13. **Contingent Assignment of Subcontracts.** Each subcontract agreement for a portion of the Work is assigned by the Company to the County provided that: (a) assignment is effective only after termination of the Contract Documents by the County for cause and only for those subcontract agreements which the County accepts by notifying the Subcontractor and Company in writing; and, (b) assignment is subject to the prior rights of the surety, if any, obligated under bond relating to the Contract Documents.

14. **Limitations on Assignment of the Contract Documents.** Company will not assign or transfer any interest in the Contract Documents without the prior written consent of the County, and any attempt to do any of the foregoing without such prior written consent shall be null, void, and of no effect. Any assignment or transfer of any interest in the Contract Documents will be subject to compliance with the provisions of the Contract Documents and will not alleviate any of Company’s obligations in the Contract Documents.

15. **Termination by the County for Cause**

15.1 If the Company persistently disregards laws, ordinances, or rules, regulations or orders of a public authority having jurisdiction; or is guilty of any other material breach of a provision of the Contract Documents, the County may, without prejudice to any other rights or remedies of the County, provide written notice of termination of the Contract Documents and subsequently terminate the Contract Documents seven (7) days after said written notice and may accept assignment of subcontracts as provided herein; or finish the Work by whatever reasonable method the County may deem expedient. Upon request of the Company, the County shall furnish to the Company a detailed accounting of the costs incurred by the County in finishing the Work.

15.2 When the County terminates the Contract Documents for one of the reasons stated in the preceding paragraph, the Company shall not be entitled to receive further payment until the Work is completed.

15.3 If the unpaid balance of the Contract Sum exceeds costs of finishing the Work, and other damages incurred by the County which have not been expressly waived, such excess shall be paid to the Company as set forth in the Agreement. If such costs and damages exceed the unpaid balance, the Company shall pay the difference to the County. This obligation of payment to the Company or County, as the case may be, shall survive termination of the Contract Documents.

16. **Suspension by the County for Convenience.** The County may, without cause, order the Company in writing to suspend, delay or interrupt the Work in whole or in part for such period of time as the County may determine.

17. **Termination by the County for Non-Appropriation.** The Company hereto agrees that payments due from the County, as required under the terms of the Contract Documents, if any, are contingent upon the availability of appropriated funds. In the case of non-appropriation of funds, the County may terminate the Contract Documents in whole or in part without further obligation to the Company.

18. **Termination by the County for Convenience.**

18.1 The County may, at any time, terminate the Contract Documents for the County’s convenience and without cause.

18.2 Upon receipt of written notice from the County of such termination for the County’s convenience, the Company shall:

18.2.1 cease operations as directed by the County in the notice;

18.2.2 take actions necessary, or that the County may direct, for the protection and preservation of the Work; and
18.2.3 except for Work directed to be performed prior to the effective date of termination stated in the notice, terminate all existing subcontracts and purchase orders and enter into no further subcontracts and purchase orders.

18.3 In case of such termination for the County’s convenience, the Company shall be entitled to receive payment for documented Work already executed, and costs incurred, at the time of receiving the written notice.

19. **Obligations upon Expiration or Earlier Termination.**

19.1 Upon the expiration or earlier termination of this Agreement, the Company shall promptly:

19.1.1 Upon request by the County, deliver to the County or such other person as the County shall designate all materials, supplies, equipment, keys, contracts and documents, all books of account and records maintained pursuant to the Contract Documents, pertaining to this Agreement.

19.1.2 Deliver to the County, in a reasonably organized form without restriction on future use, reproducible original plans, field surveys, maps, cross sections and other data, designs and instruments of service related to the Work.

19.1.3 Cooperate in providing all information, should the County subsequently contract with a new company for continuation of the Work.

19.1.4 Furnish all such information, take all such other action, and cooperate with the County as the County shall reasonably require to effectuate an orderly and systematic termination of the Work and the Company’s services, duties, obligations and activities hereunder.

19.1.5 Furnish a report of all outstanding orders for services, materials and supplies ordered by the Company as a result of its obligations arising under this Agreement at the time of expiration or termination. Such report shall include the status of payment for such services, including whether they have been charged to or paid by the Company. Such report shall be furnished no later than thirty (30) Calendar Days after the date of expiration or termination.

20. **Insurance.** The Company shall, at its sole cost and expense, procure and maintain in full force and effect covering the performance of the services rendered under the Contract Documents, insurance in the types and limits specified below. In addition to the insurance coverage and limits listed herein, the Company shall obtain all other insurance coverage as may be required by law.

20.4. All insurance provided for in this section shall be obtained under valid and enforceable policies issued by insurers of recognized responsibility which are licensed to do business in the State of South Carolina. The County requires that Certificates of Insurance evidencing the existence of such insurance shall be submitted to the County at least ten (10) days before the Work is started. If the term of the Agreement coincides with the term of the selected firm's insurance coverage, a Certificate from the expiring policy will be accepted, but a Certificate evidencing renewed coverage of a new policy must be presented to the County no later than thirty (30) days after the effective date of the policy.

20.5 Each policy and Certificate of Insurance shall contain an endorsement naming the County as additional insured party thereunder; and a provision that at least thirty (30) days prior written notice be given to the County in the event coverage is canceled or non-renewed or coverage is reduced.

20.6. If the Company desires to self-insure any or all of the coverages listed in this section, it shall provide to the County documentation that such self-insurance has received all the approvals required by law or regulations, as well as the most recent audited financial statement of the selected firm's insurance. Any coverage which is self-insured shall provide the same coverage limits and benefits as the coverages listed in this section.

20.7 The County reserves the right to review categories and levels of insurance coverage held by the Company in an ongoing program of risk management. The Company will be notified, in writing, coverage requirements as determined by this review and the Company agrees to secure such uniformly requested and required coverage.

20.8 If the Company fails to obtain or maintain the required insurance, the County shall have the right to treat such failure as a material breach of the Contract Documents and to exercise all appropriate rights and remedies as a result thereof.

20.9 The Company shall include all subcontractors as insured under its policies or shall furnish separate Certificates and endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated in the Contract Documents.

20.10 It is the intent of the specifications of insurance requirements above that the Company shall maintain in force the broadest commonly available coverage against the risks and perils listed above. If insurance against the listed risks and perils is commonly available, the failure to specify such insurance shall not relieve the Company from its duty to maintain such insurance. No failure by either the County or Company to insist upon the strict performance by the other of any covenant, agreement, term or condition of the Contract Documents, or to exercise any right or remedy consequent upon a breach of any covenant, agreement, term or condition of the Contract Documents, shall constitute a waiver of any such breach or of such covenant, agreement, term or condition. No waiver of any breach shall affect or alter the Contract Documents, but each and every covenant, condition, agreement and term of the Contract Documents shall continue in full force and effect with respect to any other then existing or subsequent breach.
