Colleton County, South Carolina (the "County") requests proposals from qualified, licensed contractors to build an overflow parking area for the Colleton County Farmers Market & Museum located in the City of Walterboro.

Subject to the terms, conditions, provisions, and the enclosed specifications, responses to this solicitation will be received at this office until the stated date and time. After which, only the names of the respondents will be publicly announced. Responses received after the scheduled due date and time will be rejected. The County reserves the right to accept or reject or cancel in part, or in its entirety offers received as a result of this request if deemed to be in the best interest of the County to do so.

B. SCOPE OF WORK

The project consists of building an overflow parking area with as little disturbance to the natural surroundings as possible. There is minimal tree removal required, if any. Colleton County intends to install approximately 41 parking spaces. Due to the landscape and need to keep this area as natural as possible, the number of spaces could increase or decrease accordingly.

- The contractor shall be responsible for all licensing and permitting fees.
- The contractor shall be responsible for all tree trimming. The trimming of trees shall only be required when entry and egress of cars, SUV's and trucks is impeded. This will encompass driveways and parking spaces.
- The entrance into the parking area shall have a 10’W x 16’L x 6”D cement header installed as noted on the attached drawing.
- The main driveway up to the parking circle shall be excavated a minimum of 6” and crushed limestone filled in to meet the current grade. (No ponding allowed on the upslope side.)
- The parking circle and parking spaces shall be place on the current grade. These areas shall have a crushed limestone base of 4”
- The parking circle shall maintain a 14” width for the entire distance.
- Parking areas shall be sized to 9’x18’
- Each parking spot shall have a standard DOT authorized cement parking stop.
- Signage shall be provided for the area as noted:
  Three (3) DOT approved one way signs shall be installed on wooden post
  One (1) DOT approved stop sign on an approved DOT post
  One (1) overflow parking sign with arrow. (Owner approved) on a wooden post
  One (1) Exit only sign (Owner approved) on a wooded post.
  Two (2) no entry signs. One on each side of exit gate. Attach to fencing.
- The curb cut on Neyle Street shall be widened to a width of 14’ with applicable radius to meet code. Permitting of the curb cut is also the contractor’s responsibility.
The current Fencing located at the curb cut egress point, shall be removed and a sliding gate installed to match the current entry gate on Neyle Street. The width of the opening shall meet the new curb cut dimensions including the radius, plus two (2') feet extra on each side. The sliding gate shall be supported with the necessary hardware so that sagging and or binding does not occur. The same style and metals of the fencing shall be used in the construction of the gate. Locking mechanisms shall be provided on the sliding gate to lock the gate open and closed.

From the date of “Notice to Proceed” the project shall be completed and closed out within 60 calendar days.

4. **NON-APPROPRIATION / SUBSTITUTION PERMITTED:** If the Colleton County Council fails to appropriate or authorize the expenditure of sufficient funds to provide the continuation of this contract or if a lawful order issued in, or for any fiscal year during the term of the agreement, reduces the funds appropriated or authorized in such amounts as to preclude making the payments set out therein, the agreement shall terminate on the date said funds are no longer available without any termination charges or other liability incurring to County. The terms and conditions contained in this Section shall survive the termination of any resulting agreement or the suspension of the Work hereunder. Additionally the County will not provide indemnity to the successful CONTRACTOR. Failure to comply with this section may result in your request for proposal to be deemed non-responsive.

6. **FORCE MAJEURE:** The Offeror shall not be liable for any excess costs if the failure to perform the resulting agreement arises out of causes beyond the control and without fault or negligence of the
Contract. Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without the fault or negligence of the contractor.
