BE IT ENACTED BY THE COUNTY COUNCIL OF COLLETON COUNTY, SOUTH CAROLINA, IN MEETING DULLY ASSEMBLED:

As an incident to the enactment of this Ordinance and the issuance of the bonds provided for herein, the County Council of Colleton County, South Carolina (the "County Council"), the governing body of Colleton County, South Carolina (the "County"), find that the facts set forth herein exist and the statements made with respect thereto are true and correct.

WHEREAS, the County Council, in Ordinance No. 93-O-17, has previously determined to establish, operate, and maintain a system of fire protection in those areas of the County where fire services were not being provided and, pursuant to the provisions of Title 4, Chapter 19 of the Code of Laws of South Carolina 1976, as amended, has, from time to time designated the areas of the County where fire protection service may be furnished by the County under the provisions thereof (the areas designated by County Council are collectively referred to herein as the "District"); and

WHEREAS, pursuant to the authorizations of Article X of the South Carolina Constitution and the Enabling Act, the County Council desires to obtain funds for the purpose of defraying a portion of the cost of replacing the computer-aided dispatch system, renovating and improving existing fire stations, and acquiring fire trucks, ambulances, other support vehicles and equipment for use by the Colleton County Fire-Rescue Commission (collectively, the "Series 2018 Project"); and

WHEREAS, Article X, Section 12 of the South Carolina Constitution prohibits the issuance of general obligation bonds of any county to finance fire protection facilities benefitting only a particular geographic section of the county unless a special assessment, tax, or service charge in an amount designed to provide debt service shall be imposed upon the areas or persons receiving the benefit therefrom; and

WHEREAS, County Council have determined to provide for the levy and collection of an annual ad valorem tax within the District which will be sufficient to provide for the payment of the principal and interest on the bonds to be issued hereunder, and the respective requirements of Article
X, Section 12 of the South Carolina Constitution and Section 4-19-30 of the Enabling Act with respect to the issuance of the bonds provided for herein have been met; and

WHEREAS, the Section 4-19-10(l) of the Enabling Act permits the use of funds from the levy and collection of an annual ad valorem tax within the District to be used for operating and maintenance expenses of the County’s fire protection system; and

WHEREAS, the County Council have determined that is in the best interest of the District to transfer a portion of the funds on deposit in the District’s debt service fund to the District’s operating and maintenance fund to be used to fund the costs of acquisition and construction of an expansion of the County’s fleet management building to service vehicles, fleet, and equipment of the District; and

WHEREAS, by virtue of Article X, Section 14(7)(b) of the South Carolina Constitution, general obligation debt incurred pursuant to and within the limitations prescribed by Article X, Section 12 of the South Carolina Constitution shall not be considered in determining the debt limitations imposed by Article X, Section 14(7)(a) of the South Carolina Constitution; and

NOW, THEREFORE, on the basis of the foregoing authorizations and for the purpose of raising the sum of approximately $6,000,000 to be expended for the Series 2018 Projects, the County Council enact this Ordinance to effect the issuance and sale of fire protection service general obligation bonds of the County authorized by the Enabling Act.

ISSUANCE OF BONDS

Section 1 Authorization of Bonds; Approval of Maturity Dates, Principal Amounts, and Interest Rates.

(a) Pursuant to the provisions of the Enabling Act and for the purposes of funding the costs of the Series 2018 Projects and paying capitalized interest on the Bonds there shall be issued not exceeding Six Million and no/100 Dollars ($6,000,000.00) of general obligation bonds of the County. The Bonds shall be designated “Fire Protection Service General Obligation Bonds, Series 2018”; and may be issued in one or more series as designated by the County Administrator. The Bonds shall be originally dated the Dated Date, shall be in fully-registered form, shall be in denominations of Five Thousand and no/100 Dollars ($5,000.00) each or any integral multiple thereof, and may be numbered from R-1 upward.
(b) The Bonds will be issued in such principal amount, bear interest at such rates, payable on each Interest Payment Date, and will mature on the dates and in the amounts as are approved by the Chairman or County Administrator provided that:

(i) The Bonds shall be issued in a principal amount of not exceeding $6,000,000.

(ii) The Bonds shall not bear interest at a true interest cost (TIC) greater than 4.0% per annum.

(iii) The Interest Payment Dates of the Bonds shall commence not later than June 30, 2019.

(iv) The Bonds shall mature not later than June 30, 2031.

(c) The County Administrator is hereby expressly delegated the authority to approve the sale and issuance of the Bonds so long as they conform to all of the parameters set forth in this Ordinance, including, but not limited to, this Section 1 of Article II.

(d) The Paying Agent, Authenticating Agent, and Bond Registrar shall be such institution as designated by the County Administrator as in the best interest of the County.

Section 2 Redemption of Bonds.

(a) General. The Bonds may not be called for redemption by the County except as provided in this Section 2.

(b) Redemption. The Bonds may be subject to redemption prior to their maturity, in whole or in part, and by lot as to Bonds or portions of Bonds within a maturity (but only in integral multiples of $5,000), upon the terms and on the dates and at the redemption prices as approved by the County Administrator prior to the issuance of the Bonds.

(c) Partial Redemption of Bonds. In the event that only part of the principal amount of a Bond shall be called for redemption or prepaid, payment of the amount to be redeemed or prepaid shall be made only upon surrender of that Bond to the Paying Agent. Upon surrender of such Bond, the County shall execute and the Authenticating Agent shall authenticate and deliver to the holder thereof, at the office of the Authenticating Agent, or send to such holder by registered mail at his request, risk, and expense, a new fully-executed Bond or Bonds, of authorized denominations equal in aggregate principal amount to, and of the same maturity and interest rate as, the unredeemed portion of the Bond surrendered.

(d) Official Notice of Redemption. (i) Unless waived by any registered owner of Bonds to be redeemed, official notice of any such redemption shall be given by the County by mailing a copy of an official redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owners of the Bond or Bonds to be redeemed at the address shown on the Books of Registry. Notice of redemption shall describe
whether and the conditions under which the call for redemption may be revoked. Failure to give notice by mail or any defect in any notice so mailed with respect to any Bond shall not affect the validity of the proceedings for such redemption for Bonds for which notice was properly given.

(ii) All official notices of redemption shall be dated and shall state:

(A) the redemption date,

(B) the redemption price,

(C) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(D) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after such date, and

(E) the place where such Bonds are to be surrendered for payment of the redemption price.

(e) Conditional Notice of Redemption of Bonds Permitted. In the case of an optional redemption, the notice may state (i) that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date or (ii) that the County retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a “Conditional Redemption”), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded.

(f) Deposit of Funds. At least one day prior to any redemption date, the County shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

(g) Effect of Deposit of Funds. Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless (i) the County shall have revoked the redemption in accordance with the terms set forth in the official notice of redemption or (ii) the County shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. If said money shall not be available on the redemption date, such bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption. Upon surrender of such Bonds for redemption in accordance with such notice, such Bonds shall be paid by the Paying Agent at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be cancelled by the Paying Agent and shall not be reissued.
(h) **Further Notice.** In addition to the foregoing notice, further notice shall be given by the County as set out below, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed. Such further notice of redemption may be combined with official notice as above prescribed in a single notice.

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption and (A) the CUSIP numbers of all Bonds being redeemed; (B) the date of issue of the Bond as originally issued; (C) the rate of interest borne by each Bond being redeemed; (D) the maturity date of each Bond being redeemed; and (E) any other descriptive information needed to identify accurately the Bonds being redeemed.

(ii) Each further notice of redemption shall be sent at least thirty-five (35) days before the redemption date by registered or certified mail or overnight delivery service to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(iii) Upon the payment of the redemption price of Bonds being redeemed, each cheque or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such cheque or other transfer.

**Section 3 Cancellation of Bonds.**

All Bonds which have been redeemed shall be cancelled and either maintained or destroyed by the Paying Agent and shall not be reissued. A counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Paying Agent to the County upon the request of the County Administrator.

**Section 4 Purchase of Bonds.**

The Paying Agent shall, if and to the extent practicable, endeavor to purchase Bonds or portions of Bonds at the written direction of the County at the time, in the manner, and at the price as may be specified by the County. The Paying Agent may so purchase the Bonds; provided that any limitations or restrictions on such redemption or purchases contained in this Ordinance shall be complied with. The expenses of such purchase shall be deemed an expense of the Paying Agent to be paid by the County. The Paying Agent shall incur no liability for any purchase made in accordance with this Section or for its inability to effect such purchase in excess of the redemption price thereof.
Section 5  Medium of Payment.

Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for the payment of public and private debts.

Section 6  Place of Payments; Selection of Paying Agent.

Principal and premium, if any, of the Bonds, when due, shall be payable at the corporate trust office of the Paying Agent. Interest on any Bond shall be payable on each Interest Payment Date by cheque or draught mailed to the person in whose name such Bond is registered at the close of business on the fifteenth (15th) day (whether or not a business day) of the calendar month next preceding such Interest Payment Date (the Regular Record Date) by the Paying Agent. Principal of, redemption premium, if any, and interest payable to any person holding Bonds in aggregate principal amount of $1,000,000 or more will be paid, upon the written request of any such registered owner in form and substance satisfactory to the Paying Agent, by wire transfer of immediately available funds to an account within any of the continental United States of America designated by such registered owner on or before the Record Date.

Section 7  Execution of Bonds; Designation of Authenticating Agent.

(a) The Bonds shall be executed in the name of the County by the manual or facsimile signature of the Chairman, and attested by the manual or facsimile signature of the Clerk, and the seal of the County shall be impressed or reproduced on each Bond. Any facsimile signature appearing on the Bonds may be that of the officer who is in the office on the date of the enactment of this Ordinance. The Bonds shall be executed in respect of any manual signature by the person or persons holding office when such Bonds are ready for delivery. The execution of the Bonds in this fashion shall be valid and effective notwithstanding changes in the personnel of any of the above offices subsequent to their execution.

(b) The Bonds shall bear a certificate of authentication, substantially in the form set forth in Exhibit A, duly executed by the Authenticating Agent. The Authenticating Agent shall authenticate each Bond with the manual signature of an authorized officer of the Authenticating Agent, but it shall not be necessary for the same authorized officer to authenticate all of the Bonds. Only such authenticated Bonds shall be entitled to any right or benefit under this Ordinance. Such certificate on any Bond issued hereunder shall be conclusive evidence that the Bond has been duly issued and is secured by the provisions hereof.

Section 8  Form of Bonds; Designation of Bond Registrar.

(a) The Bonds shall be issued in fully-registered form, and all principal, interest, or other amounts due thereunder shall be payable only to the registered owner thereof. The County Council hereby direct the Bond Registrar to maintain, at the County’s expense, the Books of Registry for the registration or transfer of the Bonds.
(b) The form of the Bonds and assignment provisions to be endorsed thereon shall be substantially as set forth in Exhibit A attached hereto and made a part of this Ordinance with any appropriate variations, legends, omissions, and insertions as permitted or required by this Ordinance or law.

Section 9 Registration and Transfers of Bonds; Persons Treated as Owners.

(a) Each Bond shall be fully-registered and no Bond may be transferred except by the registered owner thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorized attorney. Upon the transfer of any such registered Bond or Bonds, the County shall execute and the Authenticating Agent shall authenticate and deliver, subject to the provisions of Section 12 of this Article, in the name of the transferee, a new registered Bond or Bonds of the same aggregate principal amount as the unpaid principal amount of the surrendered Bond or Bonds.

(b) Any registered owner requesting any transfer shall pay all taxes or other governmental charges required to be paid with respect thereto. Any purported assignment in contravention of the foregoing requirements shall be, as to the County, absolutely null and void. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of and interest on such Bonds shall be made only to or upon the order of the registered owner or his legal representative. All such payments shall be valid and effective to satisfy and discharge the liability of the County upon such Bond to the extent of the sum or sums so paid. No person other than the registered owner shall have any right to receive payments, pursue remedies, enforce obligations, or exercise or enjoy any other rights under any Bond against the County. Notwithstanding the foregoing, nothing herein shall limit the rights of a person having a beneficial interest in any Bond as against a person (including the registered owner) other than the County, as in the case where the registered owner is a trustee or nominee for two or more beneficial owners of an interest in any Bond.

(c) The Bond Registrar shall not be required to exchange or transfer any Bond or portion thereof (i) for which notice of redemption has been mailed to the registered owner thereof or (ii) for the period beginning on the Regular Record Date and ending on the next succeeding Interest Payment Date.

Section 10 Mutilated, Lost, or Stolen Bonds.

In the event any Bond is mutilated, lost, stolen, or destroyed, the County may execute and the Authenticating Agent may authenticate a new Bond of like date, maturity, interest rate, and denomination, as that mutilated, lost, stolen, or destroyed; provided that, in the case of any mutilated Bonds, they shall first be surrendered to the Paying Agent, and in the case of any lost, stolen, or destroyed Bonds, there shall be first furnished to the County and the Paying Agent evidence of their loss, theft, or destruction satisfactory to the County and the Paying Agent, together with indemnity satisfactory to them; provided that in the case of a registered owner which is a bank or insurance company, the agreement of such bank or insurance company to indemnify the County and the Paying
Agent shall be sufficient. In the event any such Bonds shall have matured, instead of issuing a duplicate Bond, the County may pay the same without surrender thereof. The County, the Paying Agent, and the Authenticating Agent, may charge the registered owner of such Bond with their reasonable fees and expenses to replace mutilated, lost, stolen, or destroyed Bonds.

Section 11   Exchange of Bonds.

Subject to the provisions of Section 9 of this Article, the Bonds, upon surrender thereof to the Bond Registrar with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or his duly authorized attorney, may, at the option of the registered owner thereof, and upon payment by such registered owner of any charges which the Paying Agent, the Authenticating Agent, or the Bond Registrar may make as provided in Section 12 of this Article, be exchanged for a principal amount of Bonds of any other authorized denominations equal to the unpaid principal amount of surrendered Bonds.

Section 12   Regulations with Respect to Exchanges and Transfers.

In all cases in which the privilege of exchanging or transferring the Bonds is exercised, the County shall execute and the Authenticating Agent shall authenticate and deliver the Bonds in accordance with the provisions of this Ordinance. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Paying Agent. There shall be no charge for such exchange or transfer of the Bonds except that the Paying Agent, the Bond Registrar, and the Authenticating Agent, may make a charge sufficient to reimburse them, or any of them, for any tax or other governmental charge required to be paid with respect to such exchange or transfer.

Section 13   Temporary Bonds.

The Bonds may be initially issued in temporary form, exchangeable for definitive Bonds to be delivered as soon as practicable. The temporary Bonds may be printed, lithographed, or typewritten, shall be of such denominations as may be determined by the County Council, shall be without coupons, and may contain such reference to any of the provisions of this Ordinance as may be appropriate. Every temporary Bond shall be executed by the County upon the same conditions and in substantially the same manner as the definitive Bonds. If the County issues temporary Bonds, it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered for cancellation at the office of the Paying Agent and the Paying Agent shall deliver and exchange for such temporary Bonds an equal, aggregate principal amount of definitive Bonds of like aggregate principal amount and in authorized denominations of the same maturity or maturities and interest rate or rates. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this Ordinance as definitive Bonds under this Ordinance.
Section 14  Book-Entry Only System for the Bonds.

(a) The provisions of this section shall apply with respect to any Bond registered to Cede & Co. or any other nominee of DTC while the book-entry only system (the "Book-Entry Only System") provided for herein is in effect and shall, during the period of their application, supersede any contrary provisions of this Ordinance.

(b) The Bonds shall be issued as a single Bond for each maturity. On the date of the initial authentication and delivery of all of the Bonds, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC as the registered owner of the Bonds. With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the County shall have no responsibility or obligation to any Participant (which means securities brokers and dealers, banks, trust companies, clearing corporations, and various other entities, some of whom, or their representatives, own DTC) or to any Beneficial Owner (which means, when used with reference to the Book-Entry Only System, the person who is considered the beneficial owner thereof pursuant to the arrangements for book entry determination of ownership applicable to DTC) with respect to the following: (i) the accuracy of the records of DTC, Cede & Co., or any Participant with respect to any ownership interests in the Bonds, (ii) the delivery to any Participant, any Beneficial Owner, or any other person, other than DTC, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any Participant, or any Beneficial Owner, or any other person, other than DTC, of any amount with respect to the principal or premium, if any, or interest on the Bonds. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of DTC, and all such payments shall be valid and effective fully to satisfy and discharge the County's obligations with respect to the principal of and premium, if any, and interest on such Bonds to the extent of the sum so paid. No person other than DTC shall receive a Bond. Upon delivery by DTC to the County of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the words "Cede & Co." in this section shall refer to such new nominee of DTC.

(c) Upon receipt by the County of written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities hereunder, the County shall issue, transfer, and exchange Bonds as requested by DTC in authorized denominations, and whenever DTC requests the County to do so, the County will cooperate with DTC in taking appropriate action after reasonable notice to arrange for a substitute Securities Depository willing and able upon reasonable and customary terms to maintain custody of the Bonds registered in whatever name or names the registered owners transferring or exchanging such Bonds shall designate in accordance with this section.

(d) In the event the County determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds registered in the name of a registered owner other than DTC, the County may so notify DTC, whereupon DTC will notify the Participants of the availability through DTC of such Bonds. In such event, upon the return by DTC of Bonds held by DTC in the name of Cede & Co., the County shall issue, transfer, and exchange Bonds in authorized denominations as requested by DTC, and whenever DTC requests the County to do so, the County will cooperate with DTC in taking appropriate action after reasonable notice to make available
Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate, in accordance with this section.

AMENDING AND SUPPLEMENTING OF ORDINANCE

Section 1  Amending and Supplementing of Ordinance Without Consent of Registered Owners of Bonds.

(a)  The County Council, from time to time and at any time and without the consent or concurrence of any registered owner of any Bond, may enact an ordinance amendatory hereof or supplemental thereto, if the provisions of such supplemental ordinance shall not materially adversely affect the rights of the registered owners of the Bonds then outstanding, for any one or more of the following purposes:
(i) To make any changes or corrections in this Ordinance as to which the County Council shall have been advised by counsel that the same are verbal corrections or changes or are required for the purpose of curing and correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in this Ordinance, or to insert in this Ordinance such provisions clarifying matters or questions arising under this Ordinance as are necessary or desirable;

(ii) To add additional covenants and agreements of the County for the purpose of further securing the payment of the Bonds;

(iii) To surrender any right, power, or privilege reserved to or conferred upon the County by the terms of this Ordinance;

(iv) To grant or confer upon the registered owners of the Bonds any additional rights, remedies, powers, authority, or security that lawfully may be granted to or conferred upon them; or

(v) To make such additions, deletions, or modifications as may be necessary to assure compliance with section 148(f) of the Code relating to required rebate to the United States of America or otherwise as may be necessary to assure the exclusion from gross income of interest on the Bonds for purposes of federal income taxation.

(b) The County Council shall not enact any supplemental ordinance authorized by the foregoing provisions of this Section unless in the opinion of counsel (which opinion may be combined with the opinion required by Section 4 hereof) the enactment of such supplemental ordinance is permitted by the foregoing provisions of this Section and the provisions of such supplemental ordinance do not adversely affect the rights of the registered owners of the Bonds then outstanding.

Section 2 Amending and Supplementing of Ordinance With Consent of Registered Owners of Bonds.

(a) With the consent of the registered owners of not less than a majority in principal amount of the Bonds then outstanding the County Council from time to time and at any time may enact an ordinance amendatory hereof or supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Ordinance, or modifying or amending the rights or obligations of the County under this Ordinance, or modifying or amending in any manner the rights of the registered owners of the Bonds then outstanding; provided, however, that without the specific consent of the registered owner of each such Bond which would be affected thereby, no supplemental ordinance amending or supplementing the provisions hereof shall: (i) change the fixed maturity date of any Bond or the dates for the payment of interest thereon or the terms of the redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the redemption price (or the redemption premium) payable upon the redemption or prepayment thereof; (ii) reduce the aforesaid percentage of Bonds, the registered owners of which are required to consent to any supplemental ordinance amending or supplementing the provisions of this Ordinance; or (iii) give to any Bond or Bonds any preference over any other Bond or Bonds.
secured hereby. Nothing in this paragraph contained, however, shall be construed as making necessary the approval of the registered owners of the Bonds of the enactment of any supplemental ordinance authorized by the provisions of Section 1 of this Article.

(b) It shall not be necessary that the consents of the registered owners of the Bonds approve the particular form of the wording of the proposed amendment or supplement or of the supplemental ordinance effecting such amending or supplementing hereof pursuant to this Section. The County shall mail a notice at least once, not more than thirty (30) days after the effective date of such amendment or supplement, of such amendment or supplement postage prepaid, to each registered owner of Bonds then outstanding at his address appearing upon the Books of Registry and to the Paying Agent, but failure to mail copies of such notice to any of the registered owners shall not affect the validity of the supplemental ordinance effecting such amendments or supplements or the consents thereto. Nothing in this paragraph contained, however, shall be construed as requiring the giving of notice of any amendment or supplement of this Ordinance authorized by Section 1 of this Article. No action or proceeding to set aside or invalidate such supplemental ordinance or any of the proceedings for its enactment shall be instituted or maintained unless such action or proceeding is commenced within sixty (60) days after the mailing of the notice required by this paragraph.

Section 3 Notation Upon Bonds; New Bonds Issued Upon Amendments.

Bonds delivered after the effective date of any action taken as provided in this Article may bear a notation as to such action, by endorsement or otherwise and in form approved by the County. In that case, upon demand of the registered owner of any Bond outstanding after such effective date and upon the presentation of the Bond for such purpose at the office of the Paying Agent, and at such additional offices, if any, as the County may select and designate for that purpose, a suitable notation shall be made on such Bond. If the County shall so determine, new Bonds, so modified as in the opinion of the County upon the advice of counsel to conform to the amendments or supplements made pursuant to this Article, shall be prepared, executed, and delivered, and upon demand of the registered owner of any Bond then outstanding shall be exchanged without cost to such registered owner for Bonds then outstanding, upon surrender of such outstanding Bonds.

Section 4 Effectiveness of Supplemental Ordinance.

Upon the enactment (pursuant to this Article and applicable law) by the County Council of any supplemental ordinance amending or supplementing the provisions of this Ordinance and the delivery to the Paying Agent and the County Council of an opinion of bond counsel that such supplemental ordinance is in due form and has been duly enacted in accordance with the provisions hereof and applicable law and that the provisions thereof are valid and binding upon the County, or upon such later date as may be specified in such supplemental ordinance, (a) this Ordinance and the Bonds shall be modified and amended in accordance with such supplemental ordinance, (b) the respective rights, limitations of rights, obligations, duties, and immunities, under this Ordinance of the County, the Fiscal Agents, and the registered owners of the Bonds, shall thereafter be determined, exercised, and enforced under this Ordinance subject in all respects to such modifications and amendments, and (c) all of the terms and conditions of any such supplemental ordinance shall be a part of the terms and conditions of the Bonds and of this Ordinance for any and all purposes.

Similarly, each financial institution appointed as a successor Paying Agent, Bond Registrar, Authenticating Agent, or escrow agent shall signify its acceptance of the duties and trusts imposed by this Ordinance by a written acceptance.

Section 2  Responsibilities of Fiscal Agents.

The recitals of fact contained herein and in the Bonds shall be taken as the statements of the County and no Fiscal Agent shall be deemed to assume any responsibility for the correctness of the same except in respect of the authentication certificate of the Authenticating Agent endorsed on the Bonds. No Fiscal Agent shall be deemed to make any representations as to the validity or sufficiency of this Ordinance or of any Bonds or as to the security afforded by this Ordinance, and no Fiscal Agent shall incur any liability in respect thereof. No Fiscal Agent shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiscal Agent. No Fiscal Agent shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. No Fiscal Agent shall be liable in the performance of its duties hereunder except for its own negligence or wilful misconduct.

Section 3  Evidence on Which Fiscal Agents May Act.

(a)  Each Fiscal Agent, upon receipt of any notice, ordinance, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Ordinance, shall examine such instrument to determine whether it conforms to the requirements of this Ordinance and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Fiscal Agent may consult with counsel, who may or may not be of counsel to the County, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Ordinance in good faith and in accordance therewith.
(b) Whenever any Fiscal Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Ordinance, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of the Chairman, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Ordinance; but in its discretion the Fiscal Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

(c) Except as otherwise expressly provided in this Ordinance, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the County to any Fiscal Agent shall be sufficiently executed if executed in the name of the County by the Chairman.

Section 4  Compensation.

The County shall pay to each Fiscal Agent from time to time reasonable compensation based on the then standard fee schedule of the Fiscal Agent for all services rendered under this Ordinance, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Ordinance; provided, however, that any specific agreement between the County and a Fiscal Agent with respect to the compensation of that Fiscal Agent shall control the compensation to be paid to it.

Section 5  Certain Permitted Acts.

Any Fiscal Agent may become the owner or underwriter of any bonds, notes, or other obligations of the County, or conduct any banking activities with respect to the County, with the same rights it would have if it were not a Fiscal Agent. To the extent permitted by law, any Fiscal Agent may act as a depository for and permit any of its officers or directors to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Ordinance.

Section 6  Resignation of Any Fiscal Agent.

Any Fiscal Agent may at any time resign and be discharged of the duties and obligations created by this Ordinance by giving not less than sixty (60) days' written notice to the County and not less than thirty (30) days' written notice to the registered owners of the Bonds (as established by the Books of Registry) prior to the next succeeding Interest Payment Date, and such resignation shall take effect upon the date specified in such notice unless a successor shall have been appointed previously by the County pursuant to Section 8 of this Article VIII, in which event such resignation shall take effect immediately upon the appointment of such successor. In no event, however, shall such a resignation take effect until a successor has been appointed.
Section 7  Removal of Fiscal Agent.

Any Fiscal Agent may be removed at any time by an instrument or concurrent instruments in writing, filed with the County and such Fiscal Agent, and signed by either the Chairman or the registered owners representing a majority in principal amount of the Bonds then outstanding or their attorneys in fact duly authorized.

Section 8  Appointment of Successor Fiscal Agents.

(a) In case any Fiscal Agent hereunder shall resign or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor shall be appointed by the County. Every such Fiscal Agent appointed pursuant to the provisions of this Section 8 shall be a trust company or bank organized under state or federal laws and which is in good standing, within or outside the State of South Carolina, having a stockholders’ equity of not less than $25,000,000 if there be such institution willing, qualified, and able to accept the trust upon reasonable and customary terms.

(b) If in a proper case no appointment of a successor Fiscal Agent shall be made by the County pursuant to the foregoing provisions of this Section 8 within forty-five (45) days after any Fiscal Agent shall have given to the County written notice as provided in Section 6 of this Article VIII or after a vacancy in the office of such Fiscal Agent shall have occurred by reason of its removal or inability to act, the former Fiscal Agent or any registered owner may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after notice, if any, as the court may deem proper, appoint a successor.

Section 9  Transfer of Rights and Property to Successor.

Any successor Fiscal Agent appointed under this Ordinance shall execute, acknowledge, and deliver to its predecessor, and also to the County, an instrument accepting such appointment, and thereupon the successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties, and obligations of the predecessor Fiscal Agent, with like effect as if originally named in that capacity; but the Fiscal Agent ceasing to act shall nevertheless, at the request of the County or at the written request of the successor Fiscal Agent, execute, acknowledge, and deliver, all instruments of conveyance and further assurance and do all things as may reasonably be required for more fully and certainly vesting and confirming in the successor Fiscal Agent all the right, title, and interest, of the predecessor Fiscal Agent in and to any property held by it under this Ordinance, and shall pay over, assign, and deliver, to the successor Fiscal Agent any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing, from the County be required by such successor Fiscal Agent for more fully and certainly vesting in and confirming to such successor any such estates, rights, powers, and duties, any and all such deeds, conveyances, and instruments in writing, shall, on request, and so far as may be authorized by law, be executed, acknowledged, and delivered, by the County. Each successor Fiscal Agent shall promptly notify the other Fiscal Agents, if any, of its appointment as Fiscal Agent.
Section 10  Merger or Consolidation.

Any corporation or other organization into which any Fiscal Agent may be merged or converted or with which it may be consolidated or any corporation or other organization resulting from any merger, conversion, or consolidation or other organization to which it may be party or any corporation or other organization to which any Fiscal Agent may sell or transfer all or substantially all of its corporate trust business, provided such corporation or other organization shall be a bank or trust company organized under state or federal laws, and shall be authorized by law to perform all the duties imposed upon it by this Ordinance, shall be the successor to such Fiscal Agent without the execution or filing of any paper or the performance of any further act.

Section 11  Adoption of Authentication.

In case any of the Bonds contemplated to be issued under this Ordinance shall have been authenticated but not delivered, any successor Authenticating Agent may adopt the certificate of authentication of any predecessor Authenticating Agent so authenticating such Bonds and deliver such Bonds so authenticated. In case any such Bonds shall not have been authenticated, any successor Authenticating Agent may authenticate such Bonds in the name of the predecessor Authenticating Agent or in the name of the successor Authenticating Agent, and in all such cases such certificate shall be of full force and effect.
