RESOLUTION NO. 23-R-40

COUNCIL-ADMINISTRATOR FORM OF GOVERNMENT FOR COLLETON COUNTY

[A Resolution to Authorize the Sole Source Purchase of One 21' Fiberglass Brunswick Rescue Boat for Colleton County Fire-Rescue.]

WHEREAS:

1. The Fire-Rescue Commission is in the process of implementing a portion of the long-range fire improvements plan for Colleton County; and
2. One Rescue Boat is included to upgrade Fire-Rescue's capabilities for search, rescue and diving operations, including the trailer and electronics; and
3. The Commission has researched several different types of boats and concluded that the 21 foot Brunswick with the attached electronics package meets the needs of the department and the functions required to provide services on the County waterways as well as the Atlantic Ocean; and
4. The Fire-Rescue Commission recommends the sole source purchase of one 21' Brunswick Boat for a cost of \$144,875.00 for the boat, motor and trailer, and \$50,002.28 for the electronics package; and
5. Funding for this purchase, in the amount of \$194,877.28 without tax, will come from the Fire-Rescue Fund – Fund 156.

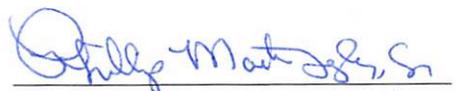

NOW, THEREFORE, BE IT RESOLVED BY THE COLLETON COUNTY COUNCIL DULY ASSEMBLED THAT:

1. The purchase of a 21 foot Brunswick Boat and electronics at a cost of \$194,877.28 (not including SC Sales Tax) is hereby approved.
2. The County Administrator is hereby authorized to execute on behalf of the County any paperwork necessary for the purchases.
3. Funding for these purchases is included in the Fire-Rescue Fund – Fund 156.

FIRE RESCUE COMMISSION RESOLUTION NO. 23-FRCR-002

08-May-2023

Purpose: To recommend to County Council to authorize the purchase of one 21' Fiberglass Brunswick Rescue Boat built to the attached specifications and to authorize the purchase of the various electronics for the vessel from the attached specifications.

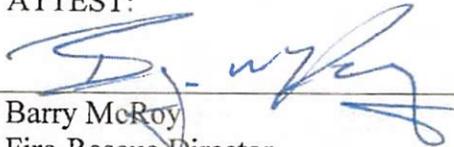

WHEREAS:

1. The Fire-Rescue Commission is in the process of implementing a portion of the long-range fire improvements plan for Colleton County; and
2. One Rescue Boat is included to upgrade Fire-Rescue's capabilities for search, rescue and diving operations, including the trailer and electronics; and
3. The Commission has researched several different types of boats and concluded that the 21 foot Brunswick with the attached electronics package meets the needs of the department and the functions required to provide services on the county waterways as well as the Atlantic Ocean; and
4. Several other regional departments including SCDNR and government agencies utilize the Brunswick boats; and
5. The funding for the boat and electronics will come from various funding sources; and
6. The cost of the new Brunswick Boat, including the trailer and electronics is \$194,877.28 without tax on the boat.

NOW THEREFORE BE IT RESOLVED BY THE COLLETON COUNTY FIRE-RESCUE COMMISSION DULY ASSEMBLED THAT:

1. The Fire-Rescue Commission hereby recommends the sole source purchase of one 21' Brunswick Boat meeting the attached specifications directly from the manufacturer for a cost \$144,875.00 and the electronics package including installation from Riggdout for \$50,002.28. The funding for the purchase will be provided from various county funding sources. The cost includes the 21' vessel, trailer, outboard motors, delivery from Florida and electronics including installation.
