The following question has been submitted for clarification:

1. Under D. Submittal Format, it says that the firm may wish to include additional information. Would this count towards the 25-page limit, or should the additional info be in the appendices? Is there a page limit for the appendices? **Answer:** Replace item "D. Submittal Format" (explanation portion only) with the following.

D. SUBMITTAL FORMAT

Responding firm shall submit **three (3) bound copies**, with one (1) being the original. Responses must be submitted in a sealed envelope/package containing the firm name, solicitation name and number.

The RFQ response must be submitted by the date and time listed in this RFQ. The response shall contain no more than twenty-five (25) double spaced pages, typed on one side only. Minimum font size shall be 12-point. Responses should address each of the following proposal content requirements in the same order as listed below. The required forms listed in the document are not part of the twenty-five (25) page limit. If a firm does not submit responses to these items, their submittal may be considered non-responsive and returned without further review/evaluation. Firms are advised that Colleton County reserves the right to conduct an independent investigation of any information, including prior experiences, identified in the responses. Firms are responsible for effecting delivery by the deadline date and time; late submissions will be rejected without opening. Colleton County accepts no responsibility for misdirected or lost proposals. Responses shall be explained and identified within the twenty-five (25) pages.
