## HEALTH SERVICES AGREEMENT

THIS AGREEMENT between the County of Colleton (hereinafter referred to collectively as "County"), and [REDACTED] a Delaware corporation, (hereinafter referred to as [REDACTED]) is entered into as of the 1<sup>st</sup> day of July, 2008. Services under this Agreement shall commence on July 1, 2008, and shall continue through June 30, 2009, in accordance with Section 6.1.

### WITNESSETH:

WHEREAS, the County is charged by law with the responsibility for obtaining and providing reasonably necessary medical care for inmates or detainees of the Colleton County Detention Center facilities (hereinafter called "Jail") and,

WHEREAS, the County desires to provide for health care to inmates in accordance with applicable law; and,

WHEREAS, County, which provides funding as approved by the Colleton County Council for the Jail, desire to enter into this Agreement with SHP to promote this objective; and,

WHEREAS, SHP is in the business of providing correctional health care services under contract and desires to provide such services for County under the express terms and conditions hereof.

NOW THEREFORE, in consideration of the mutual covenants and promises hereinafter made, the sufficiency of which is acknowledged, the parties hereto agree as follows:

### ARTICLE I: HEALTH CARE SERVICES.

1.1 General Engagement. County hereby contracts with [REDACTED] to provide for the delivery of all medical and dental services to inmates of Jail. This care is to be delivered to individuals under the custody and control of the Jail, and [REDACTED] enters into this Agreement according to the terms and provisions hereof.

1.2 Scope of General Services. The responsibility of [REDACTED] for medical care of an inmate commences with the booking and physical placement of said inmate into the Jail. [REDACTED] shall provide health care services for all persons committed to the custody of the Jail, except those identified in Section 1.7. [REDACTED] shall arrange and/or provide on a regular basis all professional medical, dental and related health care and administrative services for the inmates, regularly scheduled sick call, nursing care, regular physician care, hospitalization, medical specialty services, emergency medical care, emergency ambulance services when medically necessary, medical records management, pharmacy services management, administrative support services, and other services, all as more specifically described herein.

[REDACTED] shall be financially responsible for the costs of all prescription pharmaceuticals, all over-the-counter medications, all medical supplies, all on-site lab tests, and all other on-

site medical care services. [REDACTED] financial responsibility for the costs of x-ray procedures and all medical and dental services rendered outside the Jail will be limited by an annual, cost pool described in Section 1.5 of this Agreement. Costs for x-ray procedures and for all medical and dental services rendered outside the Jail in excess of the annual, cost pool limit shall be the financial responsibility of the County.

1.3 Specialty Services. In addition to providing the general services described above, [REDACTED] by and through its licensed health care providers shall, at its own cost, provide to inmates at the Jail specialty medical services including, but not limited to, radiology services and laboratory services to the extent such are determined to be medically necessary by [REDACTED]. In the event non-emergency specialty care is required and cannot be rendered at the Jail, [REDACTED] shall make arrangements with County for the transportation of the inmates in accordance with Section 1.9 of this Agreement.

1.4 Emergency Services. [REDACTED] shall provide and/or arrange for emergency medical care, as medically necessary, to inmates through arrangements to be made by [REDACTED]. [REDACTED] shall be responsible for the cost of said emergency care subject to the annual, cost pool limits described in Section 1.5 of this Agreement.

1.5 Limitations On Costs - Cost Pool. [REDACTED] shall, at its own cost, arrange for medical services for any inmate who, in the opinion of the Medical Director (hereinafter meaning a licensed [REDACTED] physician), requires such care. [REDACTED] maximum liability for costs associated with the medical and dental care services for inmates rendered outside of the Jail and for x-ray procedures will be limited by a pool established in the amount of [REDACTED] in the aggregate for all inmates in each year of this contract. If the cost of all care as described in this Section 1.5 exceeds the amount of [REDACTED] in any year, (defined as a 12 month contract period) then [REDACTED] will either pay for the additional services and submit invoices supporting the payments to the County along with an [REDACTED] invoice for one hundred percent (100%) of the excess cost, or in the alternative, will refer all additional qualifying invoices to County for payment directly to the provider of care. For all invoices payable to [REDACTED] as reimbursement for pool excess cost, such amounts shall be payable by County within 30 days of the [REDACTED] invoice date. For purposes of this Section 1.5, the pool amount will be prorated for any contract period of less than 12 months.

The intent of this Section 1.5 is to define [REDACTED] maximum financial liability and limitation of costs for all x-ray procedures, hospitalization, and all other medical and dental care services rendered outside of the Jail.

1.6 Injuries Incurred Prior to Incarceration; Pregnancy. [REDACTED] will not be financially responsible for the cost of any medical treatment or health care services provided to any inmate prior to the inmate's formal booking and commitment into the Jail.

Furthermore, [REDACTED] is not financially responsible for the cost of services outside the Jail for any medical treatment or health care services provided to medically stabilize any inmate presented at booking with a life threatening injury or illness or in immediate need of emergency medical care.

Once an inmate has been medically stabilized and committed to the Jail, █████ will, commencing at that point, then become financially responsible for the cost of all medical treatment for health care services regardless of the nature of the illness or injury or whether or not the illness or injury occurred prior or subsequent to the individual's incarceration at the Jail. An inmate shall be considered medically stabilized when the patient's medical condition no longer requires immediate emergency medical care or outside hospitalization so that the inmate can reasonably be housed inside the Jail.

It is expressly understood that █████ shall not be responsible for medical costs associated with the medical care of any infants born to inmates. █████ shall provide health care services to inmates up to, through, and after the birth process, but health care services provided to an infant following birth, other than those services that may be delivered in the jail prior to transport to a hospital, will not be the financial responsibility of █████. In any event, █████ shall not be responsible for the costs associated with performing or furnishing of abortions of any kind.

1.7 Inmates Outside the Facilities. The health care services contracted in the Agreement are intended only for those inmates in the actual physical custody of the Jail. This does include inmates who are under guard in outside hospitals. Such inmates are to be included in the daily population count. No other person(s), including those who are in any outside hospital who are not under guard, shall be the financial responsibility of █████, nor shall such person(s) be included in the daily population count.

Inmates, for example, on any sort of temporary release or escape, including, but not limited to inmates temporarily released for the purpose of attending funerals or other family emergencies, inmates on escape status, inmates on pass, parole or supervised custody who do not sleep in the Jail at night, shall not be included in the daily population count, and shall not be the responsibility of █████ with respect to the payment or the furnishing of their health care services.

The cost of medical services provided to inmates who become ill or are injured while on such temporary release or work-release will not then become the financial responsibility of █████ after their return to the Jail. This relates solely to the costs relating to the particular illness or injury incurred while on such temporary release.

Persons in the physical custody of other police or other penal jurisdictions at the request of County are likewise excluded from the population count and are not the responsibility of █████ for the furnishing or payment of health care services.

1.8 Elective Medical Care. █████ is not responsible for providing elective medical care to inmates, unless expressly contracted for by the County. For purposes of the Agreement, "elective medical care" means medical care which, if not provided, would not, in the opinion of █████'s Medical Director, cause the inmate's health to deteriorate or cause definite harm to the inmate's well-being. Any referral of inmates for elective medical care must be reviewed by County prior to provision of such services.

1.9 Transportation Services. To the extent any inmate requires off-site non-emergency health care treatment including, but not limited to, hospitalization care and specialty services, for which care and services █████ is obligated to pay under this Agreement, County will, upon prior request by █████, its agents, employees or contractors, provide transportation as reasonably available provided that such transportation is scheduled in advance. In the event County emergency-service vehicles are utilized for transportation of inmates to and from off-site care locations, █████ shall reimburse County for the cost of said transportation. When medically necessary, █████ shall arrange all emergency ambulance transportation of inmates in accordance with Section 1.4 of this Agreement.

## **ARTICLE II: PERSONNEL.**

2.1 Staffing. █████ shall provide medical and support personnel reasonably necessary for the rendering of health care services to inmates at the Jail as described in and required by this Agreement. County and █████ agree that, beginning on April 1, 2009, on-site nurse staffing hours will increase to a schedule of twelve hours per day, seven days per week. Said staffing plan, however, may be subject to subsequent reviews and modifications, as necessary, pursuant to Section 7.2 of this Agreement.

2.2 Licensure, Certification and Registration of Personnel. All personnel provided or made available by █████ to render services hereunder shall be licensed, certified or registered, as appropriate, in their respective areas of expertise as required by applicable South Carolina law.

2.3 County's Satisfaction with Health Care Personnel. If County becomes dissatisfied with any health care personnel provided by █████ hereunder, or by any independent contractor, subcontractors or assignee, █████, in recognition of the sensitive nature of correctional services, shall, following receipt of written notice from County of the grounds for such dissatisfaction and in consideration of the reasons therefor, exercise its best efforts to resolve the problem. If the problem is not resolved satisfactorily to County, █████ shall remove or shall cause any independent contractor, subcontractor, or assignee to remove the individual about whom County has expressed dissatisfaction. Should removal of an individual become necessary, █████ will be allowed reasonable time, prior to removal, to find an acceptable replacement, without penalty or any prejudice to the interests of █████

2.4 Use of Inmates in the Provision of Health Care Services. Inmates shall not be employed or otherwise engaged by either █████ or County in the direct rendering of any health care services.

2.5 Subcontracting and Delegation. In order to discharge its obligations hereunder, █████ will engage certain health care professionals as independent contractors rather than as employees. County consents to such subcontracting or delegation. As the relationship between █████ and these health care professionals will be that of independent contractor, █████ will not be considered or deemed to be engaged in the practice of medicine or other professions practiced by these professionals. █████ will not exercise control over the

manner or means by which these independent contractors perform their professional medical duties. However, [REDACTED] shall exercise administrative supervision over such professionals necessary to insure the strict fulfillment of the obligations contained in this Agreement. For each agent and subcontractor, including all medical professionals, physicians, dentists and nurses performing duties as agents or independent contractors of [REDACTED] under this Agreement, [REDACTED] shall provide County proof, if requested, that there is in effect a professional liability or medical malpractice insurance policy, as the case may be, in an amount of at least one million dollars (\$1,000,000) coverage per occurrence and five million dollars (\$5,000,000) aggregate.

2.6 Discrimination. During the performance of this Agreement, [REDACTED], its employees, agents, subcontractors, and assignees agree as follows:

- a. None will discriminate against any employee or applicant for employment because of race, religion, color, sex or national origin, except where religion, sex or national origin is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor.
- b. In all solicitations or advertisements for employees, each will state that it is an equal opportunity employer.
- c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

### ARTICLE III REPORTS AND RECORDS

3.1 Medical Records. [REDACTED] shall cause and require to be maintained complete and accurate medical records for each inmate who has received health care services. Each medical record will be maintained in accordance with applicable laws and County's policies and procedures. The medical records shall be kept separate from the inmate's confinement record. A complete legible copy of the applicable medical record shall be available, at all times, to County as custodian of the person of the patient. Medical records shall be kept confidential. Subject to applicable law regarding confidentiality of such records, [REDACTED] shall comply with South Carolina law and County's policy with regard to access by inmates and Jail staff to medical records. No information contained in the medical records shall be released by [REDACTED] except as provided by County's policy, by a court order, or otherwise in accordance with the applicable law. [REDACTED] shall, at its own cost, provide all medical records, forms, jackets, and other materials necessary to maintain the medical records. At the termination of this Agreement, all medical records shall be delivered to and remain with County. However, County shall provide [REDACTED] with reasonable ongoing access to all medical records even after the termination of this Agreement for the purposes of defending litigation.

3.2 Regular Reports by [REDACTED] to County. [REDACTED] shall provide to County, on a date and in a form mutually acceptable to [REDACTED] and County, reports relating to services rendered under this Agreement.

3.3 Inmate Information. Subject to the applicable South Carolina law, in order to assist █████ in providing the best possible health care services to inmates, County will provide █████ with information pertaining to inmates that █████ and County mutually identify as reasonable and necessary for █████ to adequately perform its obligations hereunder.

3.4 █████ Records Available to County with Limitations on Disclosure. █████ shall make available to County, at County's request, records, documents and other papers relating to the direct delivery of health care services to inmates hereunder. County understands that written operating policies and procedures employed by █████ in the performance of its obligations hereunder are proprietary in nature and will remain the property of █████ and shall not be disclosed without written consent. Information concerning such may not, at any time, be used, distributed, copied or otherwise utilized by County, except in connection with the delivery of health care services hereunder, or as permitted or required by law, unless such disclosure is approved in advance writing by █████. Proprietary information developed by █████ shall remain the property of █████.

3.5 County Records Available to █████ with Limitations on Disclosure. During the term of this Agreement and for a reasonable time thereafter, County will provide █████, at █████ request, County's records relating to the provision of health care services to inmates as may be reasonably requested by █████ or as are pertinent to the investigation or defense of any claim related to █████ conduct. Consistent with applicable law, County will make available to █████ such inmate medical records as are maintained by County, hospitals and other outside health care providers involved in the care or treatment of inmates (to the extent County has any control over those records) as █████ may reasonably request. Any such information provided by County to █████ that County considers confidential shall be kept confidential by █████ and shall not, except as may be required by law, be distributed to any third party without the prior written approval of County.

#### ARTICLE IV: SECURITY

4.1 General. █████ and County understand that adequate security services are essential and necessary for the safety of the agents, employees and subcontractors of █████ as well as for the security of inmates and County's staff, consistent with the correctional setting. County will take all reasonable steps to provide sufficient security to enable █████ to safely and adequately provide the health care services described in this Agreement. It is expressly understood by County and █████ that the provision of security and safety for the █████ personnel is a continuing precondition of █████'s obligation to provide its services in a routine, timely, and proper fashion.

4.2 Loss of Equipment and Supplies. County shall not be liable for loss of or damage to equipment and supplies of █████, its agents, employees or subcontractors unless such loss or damage was caused by the negligence of County or its employees.

4.3 Security During Transportation Off-Site. County will provide prompt and timely security as medically necessary and appropriate in connection with the transportation of any inmate between the Jail and any other location for off-site services as contemplated herein.

**ARTICLE V: OFFICE SPACE, EQUIPMENT, INVENTORY AND SUPPLIES**

5.1 General. County agrees to provide [REDACTED] with reasonable and adequate office and medical space, facilities, equipment, access to local telephone service, and utilities and County will provide necessary maintenance and housekeeping of the office space and facilities.

5.2 Delivery of Possession. County will provide to [REDACTED], beginning on the date of commencement of this Agreement, possession and control of all County medical and office equipment and supplies in place at the Jail's health care unit. At the termination of this or any subsequent Agreement, [REDACTED] will return to County's possession and control all supplies, medical and office equipment, in working order, reasonable wear and tear excepted, which were in place at the Jail's health care unit prior to the commencement of services under this Agreement.

5.3 Maintenance and Replenishment of Equipment. Except for the equipment and instruments owned by County at the inception of this Agreement any equipment or instruments required by [REDACTED] during the term of this Agreement shall be purchased by [REDACTED] at its own cost. At the end of this Agreement, or upon termination, County shall be entitled to purchase [REDACTED] equipment and instruments upon a mutually agreed depreciation schedule.

5.4 General Maintenance Services. County agrees that it is proper for [REDACTED] to provide each and every inmate receiving health care services the same services and facilities available to, and/or provided to, other inmates at the Jail.

**ARTICLE VI: TERM AND TERMINATION OF AGREEMENT**

6.1 Term. This Agreement shall commence on July 1, 2008. The initial term of this Agreement shall end on June 30, 2009, and may be extended for additional one-year terms, if mutually agreeable to both parties.

6.2 Termination. This Agreement may be terminated as otherwise provided in this Agreement or as follows:

- a. Termination by agreement. In the event that each of the parties mutually agrees in writing, this Agreement may be terminated on the terms and date stipulated therein.
- b. Termination by Cancellation. This Agreement may be canceled without cause by either party upon sixty (60) days prior written notice in accordance with Section 9.3 of this Agreement.
- c. Annual Appropriations and Funding. This Agreement may be subject to the annual appropriation of funds by the Colleton County Council. Notwithstanding any provision herein to the contrary, in the event that funds are not appropriated for this Agreement, then County shall be entitled to immediately terminate this Agreement, without penalty or

liability, except the payment of all contract fees due under this Agreement up to and through the last day of service.

6.3 Responsibility for Inmate Health Care. Upon termination of this Agreement, all responsibility for providing health care services to all inmates, including inmates receiving health care services at sites outside the Jail, will be transferred from [REDACTED] to County.

**ARTICLE VII. COMPENSATION.**

7.1 Base Compensation. County will pay to [REDACTED] the annualized base price of \$ [REDACTED] during the initial term of this Agreement effective July 1, 2008, through March 31, 2009, payable in monthly installments. Monthly installments during the initial term of this Agreement effective July 1, 2008, through March 31, 2009, will be in the amount of \$ [REDACTED] each. County and [REDACTED] agree that, effective April 1, 2009, the annualized rate will increase to \$ [REDACTED] based on an increase in staffing as specified in Section 2.1 of this Agreement. Monthly installments during the initial term of this Agreement effective April 1, 2009, through June 30, 2009, will be in the amount of \$ [REDACTED] each. [REDACTED] will bill County approximately 30 days prior to the month in which services are to be rendered. County agrees to pay [REDACTED] prior to the tenth day of the month in which services are rendered. In the event this Agreement should commence or terminate on a date other than the first or last day of any calendar month, compensation to [REDACTED] will be pro-rated accordingly for the shortened month.

7.2 Increases in Inmate Population. County and [REDACTED] agree that the annual base price is calculated based upon an average daily inmate population of up to 110. If the average daily inmate population exceeds 110 inmates, then the compensation payable to [REDACTED] by County shall be increased by a per diem rate of \$0.95 for each inmate over 110. The average daily inmate resident population shall be calculated by adding the population or head count totals taken at a consistent time each day and dividing by the number of counts taken. The excess over an average of 110, if any, will be multiplied by the per diem rate and by the number of days in the month to arrive at the increase in compensation payable to [REDACTED] for that month. In all cases where adjustments become necessary, the invoice adjustment will be made on the invoice for a subsequent month's services. For example, if there is an average population for any given month of 115 inmates, resulting in an excess of five (5) inmates, then [REDACTED] shall receive additional compensation of five (5) times the per diem rate times the number of days in that month. The resulting amount will be an addition to the regular base fee and will be billed on a subsequent monthly invoice.

This per diem is intended to cover additional cost in those instances where minor, short-term changes in the inmate population result in the higher utilization of routine supplies and services. However, the per diem is not intended to provide for any additional fixed costs, such as new fixed staffing positions that might prove necessary if the inmate population grows significantly and if the population increase is sustained. In such cases, [REDACTED] reserves the right to negotiate for an increase to its staffing complement and its contract price in order to continue to provide services to the increased number of inmates and maintain the quality of care. This would be done with the full knowledge and agreement

of the Detention Center Director and other involved County officials, and following appropriate notification to County.

7.3 Future Years' Compensation. The compensation (i.e., annual base price and per diem rate as defined in Sections 7.1 and 7.2, respectively) to [REDACTED] for any renewal periods shall be increased at the beginning of each contract year. The amount of increase for the first renewal period will be 3%, effective on July 1, 2009, and the amount of increase for the second renewal period will be 3%, effective on July 1, 2010. The amount of increase for subsequent renewal periods effective on or after July 1, 2011, will be determined by mutual agreement after discussions between County and [REDACTED]. However, the amount of increase for the renewal periods effective July 1, 2011, and July 1, 2012, respectively, shall not exceed 2% each renewal.

7.4 Inmates From Other Jurisdictions. Medical care rendered within the Jail to inmates from jurisdictions outside Colleton County, and housed in the Jail pursuant to written contracts between County and such other jurisdictions or the State of South Carolina, or by statute will be the responsibility of [REDACTED], but as limited by Section 1.7. Medical care that cannot be rendered within the Jail will be arranged by [REDACTED], but [REDACTED] shall have no financial responsibility for such services to those inmates.

7.5 Responsibility For Work Release Inmates. Notwithstanding any other provisions of this Agreement to the contrary, both parties agree that County inmates assigned to Work Release, including work for Colleton County agencies, are themselves personally responsible for the costs of any medical services performed by providers other than [REDACTED], when the illness or injury is caused by and results directly or indirectly from the work being performed, or when such illness or injury is treated while the inmate is on Work Release. In all cases [REDACTED] will assist with the necessary transportation for Work Release inmates to obtain medical care. Injuries to County inmates, from whatever cause, assigned to work crews and while performing labor for County are likewise excluded from [REDACTED] responsibility.

#### **ARTICLE VIII: LIABILITY AND RISK MANAGEMENT.**

8.1 Insurance. At all times during this Agreement, [REDACTED] shall maintain professional liability insurance covering [REDACTED] for its work at County, its employees and its officers in the minimum amount of at least one million dollars (\$1,000,000) per occurrence and five million dollars (\$5,000,000) in the aggregate. In the event that the coverage changes, [REDACTED] will notify County in writing. [REDACTED] will also notify County, in writing, of any reduction in policy amounts or cancellation of insurance coverage if the new limits fall below the limits agreed to with the County. [REDACTED] shall provide a Certificate of Insurance evidencing the above policy levels and shall name County as an additional insured.

8.2 Lawsuits Against County. In the event that any lawsuit (whether frivolous or otherwise) is filed against County, its elected officials, employees and agents based on or containing any allegations concerning [REDACTED] medical care of inmates and the performance of [REDACTED] employees, agents, subcontractors or assignees, the parties agree that [REDACTED], its

employees, agents, subcontractors, assignees or independent contractors, as the case may be, may be joined as parties defendant in any such lawsuit and shall be responsible for their own defense and any judgments rendered against them in a court of law.

Nothing herein shall prohibit any of the parties to this Agreement from joining the remaining parties hereto as defendants in lawsuits filed by third parties.

8.3 Hold Harmless. [REDACTED] agrees to indemnify and hold harmless the County, its agents, servants and employees from and against any and all claims, actions, lawsuits, damages, judgments or liabilities of any kind whatsoever arising out of the operation and maintenance of the aforesaid program of health care services conducted by [REDACTED], it being the express understanding of the parties hereto that [REDACTED] shall provide the actual health care services. The County shall promptly notify [REDACTED] of any incident, claim or lawsuit of which the County becomes aware and shall fully cooperate in the defense of such claim, but [REDACTED] shall retain sole control of the defense while the action is pending, to the extent allowed by law.

Colleton County, to the extent provided by applicable law, is responsible for the negligent acts of its respective deputies, agents, servants and employees.

#### **ARTICLE IX: MISCELLANEOUS.**

9.1 Independent Contractor Status. The parties acknowledge that [REDACTED] is an independent contractor engaged to provide medical care to inmates at the Colleton County Detention Center under the direction of [REDACTED] management. Nothing in this Agreement is intended nor shall be construed to create an agency relationship, an employer/employee relationship, or a joint venture relationship between the parties.

9.2 Assignment and Subcontracting. [REDACTED] shall not assign this Agreement to any other corporation without the express written consent of County which consent shall not be unreasonably withheld. Any such assignment or subcontract shall include the obligations contained in this Agreement. Any assignment or subcontract shall not relieve [REDACTED] of its independent obligation to provide the services and be bound by the requirements of this Agreement.
