A. OVERVIEW

Colleton County, South Carolina (the **"County"**) is requesting proposals from qualified and eligible financial institutions to provide financing services for the acquisition of equipment under a master lease agreement.

Subject to the terms, conditions, provisions, and the enclosed specifications, responses to this solicitation will be received at this office until the stated date and time. After which, only the names of the respondents will be publicly announced. Responses received after the scheduled due date and time will be rejected. Proposals must be submitted in a sealed package marked on the outside with the Offeror's name, address, and the solicitation name and number.

This solicitation does not commit Colleton County to award a contract, to pay any costs incurred in the preparation of proposals submitted, or to procure or contract for the services. The County reserves the right to accept or reject or cancel in part, or in its entirety offers received as a result of this request if deemed to be in the best interest of the County to do so.

Questions regarding this proposal must be sent via email to *Jon Carpenter, CPA, Finance Director* at <u>icarpenter@colletoncounty.org</u> no later than <u>11:00 a.m. on Thursday, February 14, 2019</u>. Answers to all questions will be posted on the County website as addendums to this proposal.

B. SCOPE OF SERVICES

The County (Lessee) proposes to establish an agreement with a qualified and eligible financial institution to provide financing services for the acquisition of commodities/equipment under a master lease purchase agreement as prescribed herein. The agreement shall be between the Lessee and the successful Offeror (Lessor).

The proposed lease purchase financing project includes any one or more of the following items of property for use by Animal Control, Coroner, E-911, Fire Rescue, Roads & Bridges, Sheriff's Department and Solid Waste. The desired terms of the proposed lease purchase financing are as follows:

A. Principal Amount of Lease-Purchase: Up to (but not to exceed) \$2,500,000.00 for various vehicles, equipment and machinery. (SEE EQUIPMENT LISTING SCHEDULE A FOR FULL DETAILS). The County is proposing to lease finance all of the items described therein per SC State Contract pricing.

B. Tax Exempt Lease Purchase:

- This issue shall be "Bank-Qualified" for taxation purposes in calendar year 2019 (as described in Section 265(b) (3) (B) of the Internal Revenue Code of 1986, as amended).
- The County shall enter into a tax-exempt lease purchase agreement with the qualified financial institution in order to provide financing for this Project.
- **Type/Security**: The obligation of the County to pay lease rental payments shall be subject to annual appropriations by the Colleton County Council.
- Interest Rate: The County desires fixed rate financing for these Project purchases. Please include the lease factor in addition to quoted interest rate.
- The proposal should include an indicative date for the fixed rate quote, and the period that the Bank will "hold" such rate.
- The County further requests the Bank to indicate its willingness to provide to the County the benefit of a commensurate decrease in the offered rate should market interest rates drop during the stated commitment period.

- **C.** Lease Payments and Terms: The County is seeking proposals with annual payments in arrears for:
 - 1) A three (3) year term for the Project
 - ***All payments shall be computed on an annual compounding basis***
- **D.** Purchase Options: The County will build equity in the equipment with each lease payment and will have the option to purchase the equipment as specified herein. The County will own the equipment free and clear of Lessor's lien after the last lease payment.
- E. Pre-payment without Penalty: The County wants a right of prepayment, upon reasonable notice to the Bank, without penalty for any loan received. *Please indicate, however, whether no right of prepayment (or, right of prepayment which vests after a fixed period of time), would yield a lower interest rate quote from the Bank for the desired term quotes described above.*
- **F.** All obligations, costs and responsibilities associated with ownership of the equipment shall be borne by the County whereby dispersing of such funds will be the sole responsibility of the County.
- **G.** The County reserves the right to have funds transferred in whole to an escrow agent chosen by the County whereby dispersing of such funds will be the sole responsibility of the County.
- H. The County will not pay escrow, investment or any other associated fees.
- The County will carry insurance coverage to full amount of equipment purchase (approximately \$2.5 Million); the Lessor WILL NOT be named as "Additional Insured" on the policy. The Lessor shall be named as "Loss Payee" on the property coverage.
- J. Closing: "Anticipated" Lease Closing Date is April 15, 2019 (date subject to change by mutual agreement between Offeror and Lessee). Offeror to provide the preferred method of closing on the Project. Indicate anticipated closing costs (if applicable) with closing method. Closing cost(s) will be considered in total financing cost calculations made by the County in award decision.
- **K. Legal Costs:** The County has retained bond counsel and will assume all legal costs associated with issuance, opinion letter and lease purchase documentation, and filings with the appropriate fiscal authorities.

C. SUBMITTALS

- 1) Letter of Interest;
- 2) Rate Proposals (Use enclosed Proposal Form);
- 3) Master Lease Agreement with option to purchase and consistent with enclosed Terms and Conditions.

Note: The County reserves the right to seek legal counsel on agreement

- 4) Documents/Certificates to evidence and carry-out transactions.
- 5) (i.e. representations, warranties, and indemnities which are deemed appropriate by the County and the Lessor, etc.);
- 6) To include name, address, telephone number, and Master Lease Agreement.
- 7) Three (3) year amortization schedules, with principal and interest in arrears listed separately by year.
- 8) Offeror shall provide sealed proposals in writing and shall indicate any bank loan fees or other special terms as a separate line item. Given the terms of the proposed borrowing, the County

anticipates that the Bank shall not require separate legal counsel. The County is retaining bond counsel and will pay all related legal fees. Copies of the County's audited financial reports for the prior fiscal year(s) are available on the County website, under the Finance Department page. Also, however, please feel free to call the County to obtain additional financial information regarding the County or the Project. The proposal must be delivered to the County on or before 2:00 P.M. on Tuesday, March 5th, 2019 to: Capital Projects & Purchasing Department, Attn: Kaye B. Syfrett, 113 Mable T. Willis Blvd., Walterboro SC 29488; and may be submitted by email to: ksyfrett@colletoncounty.org in a *.pdf document.

9) All responses shall be valid for a minimum period of **45 calendar days.**

The County anticipates awarding the financing to the qualified bidder offering the <u>lowest cost of financing for the total Project</u>. Any and all Proposals may be rejected by the County. Should any proposal not conform to the terms and conditions in this proposal, the proposal shall be subject to rejection as non-responsive. The right to permit the offeror to withdraw nonconforming terms and conditions from its proposal prior to a determination by the County is hereby reserved. Further, the County has the right to waive minor defects or variations from the exact requirements of the specifications in a proposal which do not affect the quality or schedule of the services being procured. If insufficient information is submitted in order properly to evaluate the proposal by an offeror, the County shall have the right to require such additional information as it may deem necessary after the proposal time and date, provided that the information requested does not change the quality or schedule of the services being procured.

Offeror expressly agrees to the extent that there is a causal relationship between its negligence, action or inaction, or the negligence, action or inaction of any of its employees or any person, firm, or corporation directly or indirectly employed by the Offeror, and any damage, liability, injury, loss or expense (whether in connection with bodily injury or death or property damage or loss) that is suffered by the County and its employees or by any member of the public, to indemnify and save the County and its employees harmless against any and all liabilities, penalties, demands, claims, lawsuits, losses, damages, costs, and expenses arising out of the performance or default of any resulting agreement or arising from or related to the equipment.
