### RECITALS

1. Title 12, Chapter 44 (the “*FILOT Act*”), Code of Laws of South Carolina, 1976, as amended (the “*Code*”), authorizes the County to (a) induce industries to locate in the State; (b) encourage industries now located in the State to expand their investments and thus make use of and employ manpower, products, and other resources of the State; and (c) enter into a fee agreement with entities meeting the requirements of the FILOT Act, which identifies certain property of such entities as economic development property and provides for the payment of a fee in lieu of tax with respect to such property.

2. Sections 4-1-170 and 12-44-70 of the Code authorize the County to provide special source revenue credit (“*Special Source Revenue Credit*”) financing secured by and payable solely from revenues of the County derived from payments in lieu of taxes for the purposes set forth in Section 4-29-68 of the Code, namely: the defraying of the cost of designing, acquiring, constructing, improving, or expanding the infrastructure serving the County and for improved and unimproved real estate, and personal property, including but not limited to machinery and equipment, used in the operation of a manufacturing facility or commercial enterprise in order to enhance the economic development of the County (collectively, “*Infrastructure*”).

3. The Company (as a Sponsor, within the meaning of the FILOT Act) desires to purchase and develop the Project (as defined herein) within the County.

Based on information supplied by the Company, the County Council has evaluated the Project based on relevant criteria that include, but are not limited to, the purposes the Project is to accomplish, the anticipated dollar amount and nature of the investment, employment to be created or maintained, and the anticipated costs and benefits to the County. However, if the Company, together with any Sponsor Affiliates, does not meet the Contract Minimum Investment Requirement within the Investment Period, the provisions of Section 4.03 hereof shall control.

(c) The Company may add to the Land such real property, located in the same taxing District in the County as the original Land, as the Company, in its discretion, deems useful or desirable. In such event, the Company, at its expense, shall deliver an appropriately revised Exhibit A to this Fee Agreement, in form reasonably acceptable to the County.

#### Section 3.02 Diligent Completion

The Company agrees to use its reasonable efforts to cause the completion of the Project as soon as practicable, but in any event on or prior to the end of the Investment Period.

#### Section 3.03 Filings and Reports

(a) Each year during the term of the Fee Agreement, the Company and any Sponsor Affiliates shall deliver to the County, the County Auditor, the County Assessor, and the County Treasurer a copy of their most recent annual filings with the Department with respect to the Project, not later than thirty (30) days following delivery thereof to the Department.

(b) The Company shall cause a copy of this Fee Agreement, as well as a copy of the completed Form PT-443 of the Department, to be filed with the County Auditor and the County Assessor (and to their counterparts in the partner county to the MCIP Agreement), the County Administrator and the Department within thirty (30) days after the date of execution and delivery of this Fee Agreement by all parties hereto.

(c) Each of the Company and any Sponsor Affiliates agree to maintain complete books and records accounting for the acquisition, financing, construction, and operation of the Project. Such books and records shall (i) permit ready identification of the various Phases and components thereof; (ii) confirm the dates on which each Phase was placed in service; and (iii) include copies of all filings made by the Company and any such Sponsor Affiliates in accordance with Section 3.03(a) or (b) above with respect to property placed in service as part of the Project.

## ARTICLE IV

### FILOT AND SPECIAL SOURCE REVENUE ACT PAYMENTS

#### Section 4.01 FILOT Payments

(a) Pursuant to Section 12-44-50 of the FILOT Act, the Company and any Sponsor Affiliates, as applicable, are required to make payments in lieu of *ad valorem* taxes to the County with respect to the Economic Development Property. Inasmuch as the Company anticipates an initial investment of sums sufficient for the Project to qualify for a fee in lieu of tax arrangement under Section 12-44-50(A)(1) of the FILOT Act, the County and the Company have negotiated the amount of the FILOT Payments in accordance therewith. The Company and any Sponsor Affiliates, as applicable, shall make payments in lieu of *ad valorem* taxes on all Economic Development Property which comprises the Project and is placed in service, as follows: the Company and any Sponsor Affiliates, as applicable, shall make payments in lieu of *ad valorem* taxes during the Exemption Period with respect to the Economic Development Property or, if there are Phases of the Economic Development Property, with respect to each Phase of the Economic Development Property, said payments to be made annually and to be due and payable and subject to penalty assessments on the same dates and in the same manner as prescribed by the County for *ad valorem* taxes. The determination of the amount of such annual FILOT Payments shall be in accordance with the following procedure (subject, in any event, to the procedures required by the FILOT Act):

**Step 1:** Determine the fair market value of the Economic Development Property (or Phase of the Economic Development Property) placed in service during the Exemption Period using original income tax basis for State income tax purposes for any real property and Improvements without regard to depreciation (provided, the fair market value of real property, as the FILOT Act defines such term, that the Company and any Sponsor Affiliates obtains by construction or purchase in an arms-length transaction is equal to the original income tax basis, and otherwise, the determination of the fair market value is by appraisal) and original income tax basis for State income tax purposes for any personal property less depreciation for each year allowable for property tax purposes, except that no extraordinary obsolescence shall be allowable. The fair market value of the real property for the first year of the Exemption Period remains the fair market value of the real property and Improvements for the life of the Exemption Period. The determination of these values shall take into account all applicable property tax exemptions that State law would allow to the Company and any Sponsor Affiliates if the property were taxable, except those exemptions that Section 12-44-50(A)(2) of the FILOT Act specifically disallows.

**Step 2:** Apply an assessment ratio of six percent (6%) to the fair market value in Step 1 to establish the taxable value of the Economic Development Property (or each Phase of the Economic Development Property) in the year it is placed in service and in each of the twenty-nine (29) years thereafter.

**Step 3:** Use a millage rate of 360.69 mills during the Exemption Period against the taxable value to determine the amount of the FILOT Payments due during the Exemption Period on the applicable payment dates.

**Step 4:** For Years 1 through 7 of each Phase of the Project, apply a special source revenue credit in the amount of twenty-five percent (25%) of the amount determined under Step 3 for such Phase (the “Special Source Revenue Credit”), such Special Source Revenue Credit to be applied automatically and reflected on each year’s property tax bill provided to the Company and any Sponsor Affiliate.

(b) In the event that a final order of a court of competent jurisdiction from which no further appeal is allowable declares the FILOT Act, the Special Source Revenue Act, the herein-described FILOT Payments and/or the herein-described Special Source Revenue Act payments invalid or unenforceable, in whole or in part, for any reason, the parties express their intentions to reform such payments so as to effectuate most closely the intent thereof (without increasing the amount of incentives being afforded herein) and so as to afford the Company and any Sponsor Affiliates with the benefits to be derived herefrom, the intention of the County being to offer the Company and such Sponsor Affiliates a strong inducement to locate the Project in the County. If the Economic Development Property is deemed to be subject to *ad valorem* taxation, this Fee Agreement shall terminate, and the Company and any Sponsor Affiliates shall pay the County regular *ad valorem* taxes from the date of termination, but with appropriate reductions equivalent to all tax exemptions which are afforded to the Company and such Sponsor Affiliates. Any amount determined to be due and owing to the County from the Company and such Sponsor Affiliates, with respect to a year or years for which the Company or such Sponsor Affiliates previously remitted FILOT Payments to the County hereunder, shall (i) take into account all applicable tax exemptions to which the Company or such Sponsor Affiliates would be entitled if the Economic Development Property was not and had not been Economic Development Property under the Act; and (ii) be reduced by the total amount of FILOT Payments the Company or such Sponsor Affiliates had made with respect to the Project pursuant to the terms hereof.

(c) The Land contains existing improvements that have previously been subject to property taxes by Colleton County (such improvements being hereafter the “Existing Shell”). The Company intends to incur substantial expenses to expand and repurpose the Existing Shell to meet the Company’s required uses. The Company intends that all capital expenses incurred by the Company and any Sponsor Affiliate during the Investment Period with respect to the Existing Shell (i) shall be treated as a modification which constitutes an expansion to existing real property improvements within the meaning of S.C. Code Section 12-44-110(4) thereby qualifying as Economic Development Property subject to the FILOT Payments calculated and to be paid pursuant to this Fee Agreement and (ii) shall not be treated as “additions” or “improvements” within the meaning of S.C. Code Section 12-37-3130(1).

#### Section 4.02 Special Source Credits.

(a) (a) In accordance with and pursuant to Section 12-44-70 of the FILOT Act and Section 4-1-175 of the MCIP Act, in order to reimburse the Company for qualifying capital expenditures incurred for costs of the Infrastructure during the Standard Investment Period, the Company shall be entitled to receive, and the County agrees to provide, annual Special Source Credits against the Company’s FILOT Payments for a period of seven (7) consecutive years in an amount equal to 25% of that portion of FILOT Payments payable by the Company with respect to the Project (that is, with respect to investment made by the Company in the Project during the

Standard Investment Period), calculated and applied after payment of the amount due the non-host county under the MCIP Agreement.

(b) Notwithstanding anything herein to the contrary, under no circumstances shall the Company be entitled to claim or receive any abatement of *ad valorem* taxes for any portion of the investment in the Project for which a Special Source Credit is taken.

(c) In no event shall the aggregate amount of all Special Source Credits claimed by the Company exceed the amount expended with respect to the Infrastructure at any point in time. The Company shall be responsible for making written annual certification as to compliance with the provisions of the preceding sentence through the delivery of a certification in substantially the form attached hereto as Exhibit C.

(d) As provided in Section 4-29-68 of the Code, to the extent any Special Source Credit is taken against fee in lieu of tax payment on personal property, and the personal property is removed from the Project at any time during the term of this Fee Agreement (and not replaced with qualifying replacement property), the amount of the fee in lieu of taxes due on the personal property for the year in which the personal property was removed from the Project shall be due for the two (2) years immediately following such removal.

(e) Each annual Special Source Credit shall be reflected by the County Auditor or other authorized County official or representative on each bill for FILOT Payments sent to the Company by the County for each applicable property tax year, by reducing such FILOT Payments otherwise due by the amount of the Special Source Credit to be provided to the Company for such property tax year.

(f) The Special Source Credits are payable solely from the FILOT Payments, are not secured by, or in any way entitled to, a pledge of the full faith, credit or taxing power of the County, are not an indebtedness of the County within the meaning of any State constitutional provision or statutory limitation, are payable solely from a special source that does not include revenues from any tax or license, and are not a pecuniary liability of the County or a charge against the general credit or taxing power of the County.

#### Section 4.03 Failure to Achieve Minimum Investment and Job Creation Requirements

(a) In the event the Company, together with any Sponsor Affiliates, fails to meet the Contract Minimum Investment Requirement by the end of the Investment Period, this Fee Agreement shall terminate and the Company and such Sponsor Affiliates shall pay the County an amount which is equal to the excess, if any, of (i) the total amount of *ad valorem* taxes as would result from taxes levied on the Project by the County, municipality or municipalities, school district or school districts, and other political units as if the items of property comprising the Economic Development Property were not Economic Development Property, but with appropriate reductions equivalent to all tax exemptions and abatements to which the Company and such Sponsor Affiliates would be entitled in such a case, through and including the end of the Investment Period, over (ii) the total amount of FILOT Payments the Company and such Sponsor Affiliates have made with respect to the Economic Development Property (after taking into account any Special Source Credits received) (such excess, a “*Deficiency Amount*”) for the period through and including the

end of the Investment Period. Any amounts determined to be owing pursuant to the foregoing sentence shall be payable to the County on or before the one hundred twentieth (120th) day following the last day of the Investment Period.

(b) In the event the Company, together with any Sponsor Affiliates, fails to meet both the Contract Minimum Investment Requirement and the Contract Minimum Jobs Requirement at any point during the Investment Period, the following provisions shall apply: (1) the highest percentage of compliance during the Investment Period for each of the Contract Minimum Investment Requirement and the Contract Minimum Jobs Requirement shall be calculated and then averaged; (2) if the average is at least 100%, no clawback is owed; and (3) if the average is less than 100%, the differential between 100% and the actual average shall be used as the clawback percentage of the aggregate Special Source Credits that the Company shall be required to pay back to the County on or before the one hundred twentieth (120<sup>th</sup>) day following the last day of the Investment Period. No other clawback or penalty, other than a failure to satisfy the FILOT Act Minimum Investment Requirement, shall apply as a result of the Company failing to satisfy either or both of the Contract Minimum Investment Requirement and the Contract Minimum Jobs Requirement. By way of examples:

(A) The percentage of compliance for the Contract Minimum Investment Requirement is 105% and the percentage of compliance for the Contract Minimum Jos Requirement is 95% making the average 100%. No clawback is owed.

(B) The percentage of compliance for the Contract Minimum Investment Requirement is 100% and the percentage of compliance for the Contract Minimum Jos Requirement is 90% making the average 95%. A clawback in the amount of 5% of the aggregate Special Source Credits received by the Company is owed to the County within 120 days as is described in paragraph (b) above.

(C) The percentage of compliance for the Contract Minimum Investment Requirement is 90% and the percentage of compliance for the Contract Minimum Jos Requirement is 80% making the average 85%. A clawback in the amount of 15% of the aggregate Special Source Credits received by the Company is owed to the County within 120 days as is described in paragraph (b) above.

(c) As a condition to the FILOT benefit provided herein, the Company agrees to provide the County Administrator, the County Assessor, the County Auditor and the County Treasurer with an annual certification as to investment in the Project and the jobs created at the Project. Such certification shall be in substantially the form attached hereto as Exhibit B, and shall be due no later than the May 1 following the immediately preceding December 31 of each year during the Investment Period.

#### Section 4.04 Removal of Equipment

Subject, always, to the other terms and provisions of this Fee Agreement, the Company and any Sponsor Affiliates shall be entitled to remove and dispose of components of the Project from the Project in its sole discretion with the result that said components shall no longer be considered a part of the Project and, to the extent such constitute Economic Development Property,

shall no longer be subject to the terms of this Fee Agreement. Economic Development Property is disposed of only when it is scrapped or sold or removed from the Project. If it is removed from the Project, it is subject to *ad valorem* property taxes to the extent the Property remains in the State and is otherwise subject to *ad valorem* property taxes.

#### Section 4.05 FILOT Payments on Replacement Property

If the Company or any Sponsor Affiliate elects to replace any Removed Components and to substitute such Removed Components with Replacement Property as a part of the Economic Development Property, or the Company or any Sponsor Affiliate otherwise utilizes Replacement Property, then, pursuant and subject to the provisions of Section 12-44-60 of the FILOT Act, the Company or such Sponsor Affiliate shall make statutory payments in lieu of *ad valorem* taxes with regard to such Replacement Property in accordance with the following:

(i) Replacement Property does not have to serve the same function as the Economic Development Property it is replacing. Replacement Property is deemed to replace the oldest Economic Development Property subject to the FILOT, whether real or personal, which is disposed of in the same property tax year in which the Replacement Property is placed in service. Replacement Property qualifies as Economic Development Property only to the extent of the original income tax basis of Economic Development Property which is being disposed of in the same property tax year. More than one piece of property can replace a single piece of Economic Development Property. To the extent that the income tax basis of the Replacement Property exceeds the original income tax basis of the Economic Development Property which it is replacing, the excess amount is subject to annual payments calculated as if the exemption for Economic Development Property were not allowable. Replacement Property is entitled to treatment under the Fee Agreement for the period of time remaining during the Exemption Period for the Economic Development Property which it is replacing; and

(ii) The new Replacement Property which qualifies for the FILOT shall be recorded using its income tax basis, and the calculation of the FILOT shall utilize the millage rate and assessment ratio in effect with regard to the original property subject to the FILOT.

#### Section 4.06 Reductions in Payment of Taxes Upon Diminution in Value; Investment Maintenance Requirement

In the event of a Diminution in Value of the Economic Development Property, the FILOT Payment in Lieu of Taxes with regard to the Economic Development Property shall be reduced in the same proportion as the amount of such Diminution in Value bears to the original fair market value of the Economic Development Property as determined pursuant to Step 1 of Section 4.01(a) hereof; *provided, however*, that if at any time subsequent to the end of the Investment Period, the total value of the Project remaining in the County based on the original income tax basis thereof (that is, without regard to depreciation), is less than the FILOT Act Minimum Investment Requirement, then beginning with the first payment thereafter due hereunder and continuing until the Termination Date, the Project shall no longer be entitled to the incentive provided in Section

4.01, and the Company and any Sponsor Affiliate shall therefore commence to pay regular *ad valorem* taxes thereon, calculated as set forth in Section 4.01(b) hereof.

## ARTICLE V

### PARTICULAR COVENANTS AND AGREEMENTS

#### Section 5.01 Cessation of Operations

Notwithstanding any other provision of this Fee Agreement, each of the Company and any Sponsor Affiliates acknowledges and agrees that County's obligation to provide the FILOT incentive and the Special Source Credits ends, and this Fee Agreement is terminated, if the Company ceases operations at the Project. For purposes of this Section, "ceases operations" means the closure of the facility or the cessation of production and shipment of products to customers for a continuous period of twelve (12) months. The provisions of Section 4.03 hereof relating to retroactive payments shall apply, if applicable, if this Fee Agreement is terminated in accordance with this Section prior to the end of the Investment Period. Each of the Company and any Sponsor Affiliates agrees that if this Fee Agreement is terminated pursuant to this subsection, that under no circumstance shall the County be required to refund or pay any monies to the Company or any Sponsor Affiliates.

#### Section 5.02 Rights to Inspect

The Company agrees that the County and its authorized agents shall have the right at all reasonable times and upon prior reasonable notice to enter upon and examine and inspect the Project. The County and its authorized agents shall also be permitted, at all reasonable times and upon prior reasonable notice, to have access to examine and inspect the Company's South Carolina property tax returns, as filed. The aforesaid rights of examination and inspection shall be exercised only upon such reasonable and necessary terms and conditions as the Company shall prescribe, and shall be subject to the provisions of Section 5.03 hereof.

#### Section 5.03 Confidentiality

The County acknowledges and understands that the Company and any Sponsor Affiliates may utilize confidential and proprietary processes and materials, services, equipment, trade secrets, and techniques (herein "Confidential Information"). In this regard, the Company and any Sponsor Affiliates may clearly label any Confidential Information delivered to the County "Confidential Information." The County agrees that, except as required by law, neither the County nor any employee, agent, or contractor of the County shall disclose or otherwise divulge any such clearly labeled Confidential Information to any other person, firm, governmental body or agency, or any other entity unless specifically required to do so by law. Each of the Company and any Sponsor Affiliates acknowledge that the County is subject to the South Carolina Freedom of Information Act, and, as a result, must disclose certain documents and information on request, absent an exemption. In the event that the County is required to disclose any Confidential Information obtained from the Company or any Sponsor Affiliates to any third party, the County agrees to provide the Company and such Sponsor Affiliates with as much advance notice as is reasonably possible of such requirement before making such disclosure, and to cooperate reasonably with any attempts by the Company and such Sponsor Affiliates to obtain judicial or other relief from such disclosure requirement.

## Section 5.04 Limitation of County's Liability

Anything herein to the contrary notwithstanding, any financial obligation the County may incur hereunder, including for the payment of money, shall not be deemed to constitute a pecuniary liability or a debt or general obligation of the County (it being intended herein that any obligations of the County with respect to the Special Source Revenue Credits shall be payable only from FILOT Payments received from or payable by the Company or any Sponsor Affiliates); provided, however, that nothing herein shall prevent the Company from enforcing its rights hereunder by suit for *mandamus* or specific performance.

## Section 5.05 Mergers, Reorganizations and Equity Transfers

Each of the Company and any Sponsor Affiliates acknowledges that any mergers, reorganizations or consolidations of the Company and such Sponsor Affiliates may cause the Project to become ineligible for negotiated fees in lieu of taxes under the FILOT Act absent compliance by the Company and such Sponsor Affiliates with the Transfer Provisions; provided that, to the extent provided by Section 12-44-120 of the FILOT Act or any successor provision, any financing arrangements entered into by the Company or any Sponsor Affiliates with respect to the Project and any security interests granted by the Company or any Sponsor Affiliates in connection therewith shall not be construed as a transfer for purposes of the Transfer Provisions. Notwithstanding anything in this Fee Agreement to the contrary, it is not intended in this Fee Agreement that the County shall impose transfer restrictions with respect to the Company, any Sponsor Affiliates or the Project as are any more restrictive than the Transfer Provisions.

## Section 5.06 Indemnification Covenants

(a) Notwithstanding any other provisions in this Fee Agreement or in any other agreements with the County, the Company agrees to indemnify, defend and save the County, its County Council members, elected officials, officers, employees, servants and agents (collectively, the "Indemnified Parties") harmless against and from all claims by or on behalf of any person, firm or corporation arising from the conduct or management of, or from any work or thing done on the Project or the Land by the Company or any Sponsor Affiliate, their members, officers, shareholders, employees, servants, contractors, and agents during the Term, of this Fee Agreement and, the Company further, shall indemnify, defend and save the Indemnified Parties harmless against and from all claims arising during the Term of this Fee Agreement from (i) entering into and performing its obligations under this Fee Agreement, (ii) any condition of the Project, (iii) any breach or default on the part of the Company or any Sponsor Affiliate in the performance of any of its obligations under this Fee Agreement, (iv) any act of negligence of the Company or any Sponsor Affiliate or its agents, contractors, servants, employees or licensees, (v) any act of negligence of any assignee or lessee of the Company or any Sponsor Affiliate, or of any agents, contractors, servants, employees or licensees of any assignee or lessee of the Company or any Sponsor Affiliate, or (vi) any environmental violation, condition, or effect with respect to the Project. The Company shall indemnify, defend and save the County harmless from and against all costs and expenses incurred in or in connection with any such claim arising as aforesaid or in connection with any action or proceeding brought thereon, and upon notice from the County, the Company shall defend it in any such action, prosecution or proceeding with legal counsel acceptable to the County (the approval of which shall not be unreasonably withheld).

(b) Notwithstanding the fact that it is the intention of the parties that the Indemnified Parties shall not incur pecuniary liability by reason of the terms of this Fee Agreement, or the undertakings required of the County hereunder, by reason of the granting of the FILOT, by reason of the execution of this Fee Agreement, by the reason of the performance of any act requested of it by the Company or any Sponsor Affiliate, or by reason of the County's relationship to the Project or by the operation of the Project by the Company or any Sponsor Affiliate, including all claims, liabilities or losses arising in connection with the violation of any statutes or regulations pertaining to the foregoing, nevertheless, if the County or any of the other Indemnified Parties should incur any such pecuniary liability, then in such event the Company shall indemnify, defend and hold them harmless against all claims by or on behalf of any person, firm or corporation, arising out of the same, and all costs and expenses incurred in connection with any such claim or in connection with any action or proceeding brought thereon, and upon notice, the Company shall defend them in any such action or proceeding with legal counsel acceptable to the County (the approval of which shall not be unreasonably withheld); provided, however, that such indemnity shall not apply to the extent that any such claim is attributable to (i) the grossly negligent acts or omissions or willful misconduct of the County, its agents, officers or employees, or (ii) any breach of this Fee Agreement by the County.

(c) Notwithstanding anything in this Fee Agreement to the contrary, the above-referenced covenants insofar as they pertain to costs, damages, liabilities or claims by any Indemnified Party resulting from any of the above-described acts of or failure to act by the Company or any Sponsor Affiliate, shall survive any termination of this Fee Agreement.

#### Section 5.07 Qualification in State

Each of the Company and any Sponsor Affiliates warrant that it is duly qualified to do business in the State, and covenants that it will continue to be so qualified so long as it operates any portion of the Project.

#### Section 5.08 No Liability of County's Personnel

All covenants, stipulations, promises, agreements and obligations of the County contained herein shall be deemed to be covenants, stipulations, promises, agreements and obligations of the County and shall be binding upon any member of the County Council or any elected official, officer, agent, servant or employee of the County only in his or her official capacity and not in his or her individual capacity, and no recourse shall be had for the payment of any moneys hereunder against any member of the governing body of the County or any elected official, officer, agent, servants or employee of the County and no recourse shall be had against any member of the County Council or any elected official, officer, agent, servant or employee of the County for the performance of any of the covenants and agreements of the County herein contained or for any claims based thereon except solely in their official capacity.

#### Section 5.09 Assignment, Leases or Transfers

The County agrees that the Company and any Sponsor Affiliates may at any time (a) transfer all or any of their rights and interests under this Fee Agreement or with respect to all or any part of the Project, or (b) enter into any lending, financing, leasing, security, or similar

arrangement or succession of such arrangements with any financing or other entity with respect to this Fee Agreement or all or any part of the Project, including without limitation any sale-leaseback, equipment lease, build-to-suit lease, synthetic lease, nordic lease, defeased tax benefit or transfer lease, assignment, sublease or similar arrangement or succession of such arrangements, regardless of the identity of the income tax owner of such portion of the Project, whereby the transferee in any such arrangement leases the portion of the Project in question to the Company or any Sponsor Affiliate or operates such assets for the Company or any Sponsor Affiliate or is leasing the portion of the Project in question from the Company or any Sponsor Affiliate. In order to preserve the FILOT benefit afforded hereunder with respect to any portion of the Project so transferred, leased, financed, or otherwise affected: (i) except in connection with any transfer to an Affiliate of the Company or of any Sponsor Affiliate, or transfers, leases, or financing arrangements pursuant to clause (b) above (as to which such transfers the County hereby consents), the Company and any Sponsor Affiliates, as applicable, shall obtain the prior consent or subsequent ratification of the County which consent or subsequent ratification may be granted by the County in its sole discretion; (ii) except when a financing entity which is the income tax owner of all or part of the Project is the transferee pursuant to clause (b) above and such financing entity assumes in writing the obligations of the Company or any Sponsor Affiliate, as the case may be, hereunder, or when the County consents in writing, no such transfer shall affect or reduce any of the obligations of the Company and any Sponsor Affiliates hereunder; (iii) to the extent the transferee or financing entity shall become obligated to make FILOT Payments hereunder, the transferee shall assume the then current basis of, as the case may be, the Company or any Sponsor Affiliates (or prior transferee) in the portion of the Project transferred; (iv) the Company or applicable Sponsor Affiliate, transferee or financing entity shall, within sixty (60) days thereof, furnish or cause to be furnished to the County and the Department a true and complete copy of any such transfer agreement; and (v) the Company, the Sponsor Affiliates and the transferee shall comply with all other requirements of the Transfer Provisions.

Subject to County consent when required under this Section, and at the expense of the Company or any Sponsor Affiliate, as the case may be, the County agrees to take such further action or execute such further agreements, documents, and instruments as may be reasonably required to effectuate the assumption by any such transferee of all or part of the rights of the Company or such Sponsor Affiliate under this Fee Agreement and/or any release of the Company or such Sponsor Affiliate pursuant to this Section.

Each of the Company and any Sponsor Affiliates acknowledges that such a transfer of an interest under this Fee Agreement or in the Project may cause all or part of the Project to become ineligible for the FILOT benefit afforded hereunder or result in penalties under the FILOT Act absent compliance by the Company and any Sponsor Affiliates with the Transfer Provisions.

#### Section 5.10 Administration Expenses

The Company shall pay \$7,500 to the County's Attorney or reimburse the County for Administration Expenses related to this Fee Agreement. The Company agrees to pay any Administration Expenses to the County when and as they shall become due, but in no event later than the date which is the earlier of any payment date expressly provided for in this Fee Agreement or the date which is forty-five (45) days after receiving written notice from the County, accompanied by such supporting documentation as may be necessary to evidence the County's or

Indemnified Party's right to receive such payment, specifying the nature of such expense and requesting payment of same. Notwithstanding the foregoing, the Company's obligation to reimburse the County for attorney's fees incurred in the initial negotiation, drafting, review and implementation of this Agreement and any ordinances, resolutions or other documents related hereto shall not exceed Seven Thousand, Five Hundred Dollars (\$7,500.00).

#### Section 5.11 Priority Lien Status

The County's right to receive FILOT Payments hereunder shall have a first priority lien status pursuant to Sections 12-44-90(E) and (F) of the FILOT Act and Chapters 4, 49, 51, 53, and 54 of Title 12 of the Code.

#### Section 5.12 Interest; Penalties

In the event the Company or any Sponsor Affiliate should fail to make any of the payments to the County required under this Fee Agreement, then the item or installment so in default shall continue as an obligation of the Company or such Sponsor Affiliate until the Company or such Sponsor Affiliate shall have fully paid the amount, and the Company and any Sponsor Affiliates agree, as applicable, to pay the same with interest thereon at a rate, unless expressly provided otherwise herein and in the case of FILOT Payments, of 5% per annum, compounded monthly, to accrue from the date on which the payment was due and, in the case of FILOT Payments, at the rate for non-payment of *ad valorem* taxes under State law and subject to the penalties the law provides until payment.

#### Section 5.13 Sponsor Affiliates

At the time of this Fee Agreement, the only Sponsor Affiliates are QMP SC, Inc. and Alkavida SC, Inc. Additionally, the Company may designate from time to time any Sponsor Affiliates pursuant to the provisions of Sections 12-44-30(20) and 12-44-130 of the FILOT Act, which Sponsor Affiliates shall join with the Company and make investments with respect to the Project, or participate in the financing of such investments, and shall agree to be bound by the terms and provisions of this Fee Agreement pursuant to the terms of a written joinder agreement with the County and the Company, in form reasonably acceptable to the County. The Company shall provide the County and the Department with written notice of any Sponsor Affiliate designated pursuant to this Section within ninety (90) days after the end of the calendar year during which any such Sponsor Affiliate has placed in service any portion of the Project, in accordance with Section 12-44-130(B) of the FILOT Act.

## ARTICLE VI

### DEFAULT

#### Section 6.01 Events of Default

The following shall be “Events of Default” under this Fee Agreement, and the term “Event of Default” shall mean, whenever used with reference to this Fee Agreement, any one or more of the following occurrences:

- (a) Failure by the Company or any Sponsor Affiliate to make the FILOT Payments described in Section 4.01 hereof, or any other amounts payable to the County under this Fee Agreement when due, which failure shall not have been cured within thirty (30) days following receipt of written notice thereof from the County; provided, however, that the Company and any Sponsor Affiliates shall be entitled to all redemption rights granted by applicable statutes; or
- (b) A representation or warranty made by the Company or any Sponsor Affiliate hereunder which deemed materially incorrect when deemed made; or
- (c) Failure by the Company or any Sponsor Affiliate to perform any of the terms, conditions, obligations, or covenants hereunder (other than those under (a) above), which failure shall continue for a period of thirty (30) days after written notice from the County to the Company and such Sponsor Affiliate specifying such failure and requesting that it be remedied, unless the Company or such Sponsor Affiliate shall have instituted corrective action within such time period and is diligently pursuing such action until the default is corrected, in which case the 30-day period shall be extended to cover such additional period during which the Company or such Sponsor Affiliate is diligently pursuing corrective action; or
- (d) Failure by the County to perform any of the terms, conditions, obligations, or covenants hereunder, which failure shall continue for a period of thirty (30) days after written notice from the Company to the County and any Sponsor Affiliates specifying such failure and requesting that it be remedied, unless the County shall have instituted corrective action within such time period and is diligently pursuing such action until the default is corrected, in which case the 30-day period shall be extended to cover such additional period during which the County is diligently pursuing corrective action.

#### Section 6.02 Remedies Upon Default

- (a) Whenever any Event of Default by the Company or any Sponsor Affiliate (the “*Defaulting Entity*”) shall have occurred and shall be continuing, the County may take any one or more of the following remedial actions as to the Defaulting Entity, only:

- (i) terminate this Fee Agreement; or
  - (ii) take whatever action at law or in equity may appear necessary or desirable to collect the amounts due hereunder.

In no event shall the Company or any Sponsor Affiliate be liable to the County or otherwise for monetary damages resulting from the Company's (together with any Sponsor Affiliates) failure to meet the Contract Minimum Investment Requirement or the Contract Minimum Jobs Requirement other than as expressly set forth in this Fee Agreement.

In addition to all other remedies provided herein, the failure to make FILOT Payments shall give rise to a lien for tax purposes as provided in Section 12-44-90 of the FILOT Act. In this regard, and notwithstanding anything in this Fee Agreement to the contrary, the County may exercise the remedies that general law (including Title 12, Chapter 49 of the Code) provides with regard to the enforced collection of *ad valorem* taxes to collect any FILOT Payments due hereunder.

(b) Whenever any Event of Default by the County shall have occurred or shall be continuing, the Company and any Sponsor Affiliate may take one or more of the following actions:

- (i) bring an action for specific enforcement;
- (ii) terminate this Fee Agreement as to the acting party; or
- (iii) in case of a materially incorrect representation or warranty, take such action as is appropriate, including legal action, to recover its damages, to the extent allowed by law.

#### Section 6.03 Reimbursement of Legal Fees and Expenses and Other Expenses

Upon the occurrence of an Event of Default hereunder by the Company or any Sponsor Affiliate, should the County be required to employ attorneys or incur other reasonable expenses for the collection of payments due hereunder or for the enforcement of performance or observance of any obligation or agreement, the County shall be entitled, within thirty (30) days of demand therefor, to reimbursement of the reasonable fees of such attorneys and such other reasonable expenses so incurred.

#### Section 6.04 No Waiver

No failure or delay on the part of any party hereto in exercising any right, power, or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power, or remedy preclude any other or further exercise thereof or the exercise of any other right, power, or remedy hereunder. No waiver of any provision hereof shall be effective unless the same shall be in writing and signed by the waiving party hereto.

This Fee Agreement and each document contemplated hereby or related hereto shall be binding upon and inure to the benefit of the Company and any Sponsor Affiliates, the County, and their respective successors and assigns. In the event of the dissolution of the County or the

consolidation of any part of the County with any other political subdivision or the transfer of any rights of the County to any other such political subdivision, all of the covenants, stipulations, promises, and agreements of this Fee Agreement shall bind and inure to the benefit of the successors of the County from time to time and any entity, officer, board, commission, agency, or instrumentality to whom or to which any power or duty of the County has been transferred.

#### Section 7.03 Counterparts

This Fee Agreement may be executed in any number of counterparts, and all of the counterparts taken together shall be deemed to constitute one and the same instrument.

#### Section 7.04 Governing Law

This Fee Agreement and all documents executed in connection herewith shall be construed in accordance with and governed by the laws of the State.

#### Section 7.05 Headings

The headings of the articles and sections of this Fee Agreement are inserted for convenience only and shall not be deemed to constitute a part of this Fee Agreement.

#### Section 7.06 Amendments

The provisions of this Fee Agreement may only be modified or amended in writing by any agreement or agreements entered into between the parties.

#### Section 7.07 Further Assurance

From time to time, and at the expense of the Company and any Sponsor Affiliates, the County agrees to execute and deliver to the Company and any such Sponsor Affiliates such additional instruments as the Company or such Sponsor Affiliates may reasonably request and as are authorized by law and reasonably within the purposes and scope of the FILOT Act and this Fee Agreement to effectuate the purposes of this Fee Agreement.

#### Section 7.08 Invalidity; Change in Laws

In the event that the inclusion of property as Economic Development Property or any other issue is unclear under this Fee Agreement, the County hereby expresses its intention that the interpretation of this Fee Agreement shall be in a manner that provides for the broadest inclusion of property under the terms of this Fee Agreement and the maximum incentive permissible under the FILOT Act, to the extent not inconsistent with any of the explicit terms hereof. If any provision of this Fee Agreement is declared illegal, invalid, or unenforceable for any reason, the remaining provisions hereof shall be unimpaired, and such illegal, invalid, or unenforceable provision shall be reformed to effectuate most closely the legal, valid, and enforceable intent thereof and so as to afford the Company and any Sponsor Affiliates with the maximum benefits to be derived herefrom, it being the intention of the County to offer the Company and any Sponsor Affiliates the strongest inducement possible, within the provisions of the FILOT Act, to locate the Project in the County.

In case a change in the FILOT Act or South Carolina laws eliminates or reduces any of the restrictions or limitations applicable to the Company and any Sponsor Affiliates and the FILOT incentive, the parties agree that the County will give expedient and full consideration to reformation of this Fee Agreement, and, if the County Council so decides, to provide the Company and any Sponsor Affiliates with the benefits of such change in the FILOT Act or South Carolina laws.

#### Section 7.09 Termination by Company

The Company is authorized to terminate this Fee Agreement at any time with respect to all or part of the Project upon providing the County with thirty (30) days' written notice; *provided, however*, that (i) any monetary obligations existing hereunder and due and owing at the time of termination to a party hereto (including without limitation any amounts owed with respect to Section 4.03 hereof); and (ii) any provisions which are intended to survive termination shall survive such termination. In the year following such termination, all property shall be subject to *ad valorem* taxation or such other taxation or fee in lieu of taxation that would apply absent this Agreement. The Company's obligation to make FILOT Payments under this Fee Agreement shall terminate in the year following the year of such termination pursuant to this section.

#### Section 7.10 Entire Understanding

This Fee Agreement expresses the entire understanding and all agreements of the parties hereto with each other, and neither party hereto has made or shall be bound by any agreement or any representation to the other party, which is not expressly set forth in this Fee Agreement or in certificates delivered in connection with the execution and delivery hereof.

#### Section 7.11 Waiver

Either party may waive compliance by the other party with any term or condition of this Fee Agreement only in a writing signed by the waiving party.

#### Section 7.12 Business Day

In the event that any action, payment, or notice is, by the terms of this Fee Agreement, required to be taken, made, or given on any day which is a Saturday, Sunday, or legal holiday in the jurisdiction in which the person obligated to act is domiciled, such action, payment, or notice may be taken, made, or given on the following business day with the same effect as if given as required hereby, and no interest shall accrue in the interim.

#### Section 7.13 Facsimile/Scanned Signature

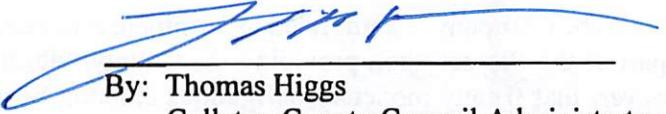

The Parties agree that use of a fax or scanned signature and the signatures, initials, and handwritten or typewritten modifications to any of the foregoing shall be deemed to be valid and binding upon the Parties as if the original signature, initials and handwritten or typewritten modifications were present on the documents in the handwriting of each party.

[End of Article VII]

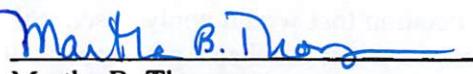

IN WITNESS WHEREOF, the County, acting by and through the County Council, has caused this Fee Agreement to be executed in its name and behalf by the County Administrator and to be attested by the Clerk of the County Council; and the Company has caused this Fee Agreement to be executed by its duly authorized officer, all as of the day and year first above written.
