The Bonds shall be originally dated the Dated Date, shall be in fully-registered form, shall be in denominations of Five Thousand and no/100 Dollars (\$5,000.00) each or any integral multiple thereof, and may be numbered from R-1 upward.

(b) The Bonds will bear interest at such rates, payable on each Interest Payment Date, and will mature on the dates and in the amounts as are approved by the County Administrator provided that:

(i) The Bonds shall not bear interest at a true interest cost (TIC) greater than 4.00% per annum.

(ii) The Bonds shall mature not later than July 1, 2023.

(c) The County Administrator is hereby expressly delegated the authority to approve the sale and issuance of the Bonds so long as they conform to all of the parameters set forth in this Ordinance, including, but not limited to, this Section 1 of Article II.

(d) The Paying Agent, Authenticating Agent, and Bond Registrar shall be the Colleton County Treasurer, or such institution as designated by the County Administrator, as in the best interest of the County.

Section 2 Redemption of Bonds.

(a) General. The Bonds may not be called for redemption by the County except as provided in this Section 2.

(b) Redemption. The Bonds may be subject to redemption prior to their maturity, in whole or in part, and by lot as to Bonds or portions of Bonds within a maturity (but only in integral multiples of \$5,000), upon the terms and on the dates and at the redemption prices as approved by the County Administrator prior to the issuance of the Bonds.

(c) Partial Redemption of Bonds. In the event that only part of the principal amount of a Bond shall be called for redemption or prepaid, payment of the amount to be redeemed or prepaid shall be made only upon surrender of that Bond to the Paying Agent. Upon surrender of such Bond, the County shall execute and the Authenticating Agent shall authenticate and deliver to the holder thereof, at the office of the Authenticating Agent, or send to such holder by registered mail at his request, risk, and expense, a new fully-executed Bond or Bonds, of authorized denominations equal in aggregate principal amount to, and of the same maturity and interest rate as, the unredeemed portion of the Bond surrendered.

(d) Official Notice of Redemption. (i) Unless waived by any registered owner of Bonds to be redeemed, official notice of any such redemption shall be given by the County by mailing a copy of an official redemption notice by first class mail at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owners of the Bond or Bonds to be redeemed at the address shown on the Books of Registry. Notice of redemption shall describe whether and the conditions under which the call for redemption may be revoked. Failure to give notice by mail or any defect in any notice so mailed with respect to any Bond shall not affect the validity of the proceedings for such redemption for Bonds for which notice was properly given.

(ii) All official notices of redemption shall be dated and shall state:

- (A) the redemption date,
- (B) the redemption price,
- (C) if less than all outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (D) that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after such date, and
- (E) the place where such Bonds are to be surrendered for payment of the redemption price.

(e) Conditional Notice of Redemption of Bonds Permitted. In the case of an optional redemption, the notice may state (i) that it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date or (ii) that the County retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded.

(g) Effect of Deposit of Funds. Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become

due and payable at the redemption price therein specified, and from and after such date (unless (i) the County shall have revoked the redemption in accordance with the terms set forth in the official notice of redemption or (ii) the County shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. If said money shall not be available on the redemption date, such bonds or portions thereof shall continue to bear interest until paid at the same rate as they would have borne had they not been called for redemption. Upon surrender of such Bonds for redemption in accordance with such notice, such Bonds shall be paid by the Paying Agent at the redemption price. Instalments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of the same maturity in the amount of the unpaid principal. All Bonds which have been redeemed shall be cancelled by the Paying Agent and shall not be reissued.

(h) Further Notice. In addition to the foregoing notice, further notice shall be given by the County as set out below, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed. Such further notice of redemption may be combined with official notice as above prescribed in a single notice.

(i) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption and (A) the CUSIP numbers of all Bonds being redeemed; (B) the date of issue of the Bond as originally issued; (C) the rate of interest borne by each Bond being redeemed; (D) the maturity date of each Bond being redeemed; and (E) any other descriptive information needed to identify accurately the Bonds being redeemed.

(ii) Each further notice of redemption shall be sent at least thirty-five (35) days before the redemption date by registered or certified mail or overnight delivery service to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(iii) Upon the payment of the redemption price of Bonds being redeemed, each cheque or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such cheque or other transfer.

Section 3 Cancellation of Bonds.

All Bonds which have been redeemed shall be cancelled and either maintained or destroyed by the Paying Agent and shall not be reissued. A counterpart of the certificate of destruction evidencing such destruction shall be furnished by the Paying Agent to the County upon the request of the County Administrator.

Section 4 Purchase of Bonds.

The Paying Agent shall, if and to the extent practicable, endeavor to purchase Bonds or portions of Bonds at the written direction of the County at the time, in the manner, and at the price as may be specified by the County. The Paying Agent may so purchase the Bonds; provided that any limitations or restrictions on such redemption or purchases contained in this Ordinance shall be complied with. The expenses of such purchase shall be deemed an expense of the Paying Agent to be paid by the County. The Paying Agent shall incur no liability for any purchase made in accordance with this Section or for its inability to effect such purchase in excess of the redemption price thereof.

Section 5 Medium of Payment.

Both the principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which is, at the time of payment, legal tender for the payment of public and private debts.

Section 6 Place of Payments; Selection of Paying Agent.

Principal and premium, if any, of the Bonds, when due, shall be payable at the corporate trust office of the Paying Agent. Interest on any Bond shall be payable on each Interest Payment Date by cheque or draught mailed to the person in whose name such Bond is registered at the close of business on the fifteenth (15th) day (whether or not a business day) of the calendar month next preceding such Interest Payment Date (the Regular Record Date) by the Paying Agent. Principal of, redemption premium, if any, and interest payable to any person holding Bonds in aggregate principal amount of \$1,000,000 or more will be paid, upon the written request of any such registered owner in form and substance satisfactory to the Paying Agent, by wire transfer of immediately available funds to an account within any of the continental United States of America designated by such registered owner on or before the Record Date.

Section 7 Execution of Bonds; Designation of Authenticating Agent.

(a) The Bonds shall be executed in the name of the County by the manual or facsimile signature of the Chairman, and attested by the manual or facsimile signature of the Clerk, and the seal of the County shall be impressed or reproduced on each Bond. Any facsimile signature appearing on the Bonds may be that of the officer who is in the office on the date of the enactment of this Ordinance. The Bonds shall be executed in respect of any manual signature by the person or persons holding office when such Bonds are ready for delivery. The execution of the Bonds in this fashion shall be valid and effective notwithstanding changes in the personnel of any of the above offices subsequent to their execution.

(b) The Bonds shall bear a certificate of authentication, substantially in the form set forth in Exhibit A, duly executed by the Authenticating Agent. The Authenticating Agent shall authenticate each Bond with the manual signature of an authorised officer of the Authenticating Agent, but it shall not be necessary for the same authorised officer to authenticate all of the Bonds. Only such

authenticated Bonds shall be entitled to any right or benefit under this Ordinance. Such certificate on any Bond issued hereunder shall be conclusive evidence that the Bond has been duly issued and is secured by the provisions hereof.

Section 8 Form of Bonds; Designation of Bond Registrar.

(a) The Bonds shall be issued in fully-registered form, and all principal, interest, or other amounts due thereunder shall be payable only to the registered owner thereof. The County Council hereby direct the Bond Registrar to maintain, at the County's expense, the Books of Registry for the registration or transfer of the Bonds.

(b) The form of the Bonds and assignment provisions to be endorsed thereon shall be substantially as set forth in Exhibit A attached hereto and made a part of this Ordinance with any appropriate variations, legends, omissions, and insertions as permitted or required by this Ordinance or law.

Section 9 Registration and Transfers of Bonds; Persons Treated as Owners.

(a) Each Bond shall be fully-registered and no Bond may be transferred except by the registered owner thereof in person or by his attorney duly authorised in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his duly authorised attorney. Upon the transfer of any such registered Bond or Bonds, the County shall execute and the Authenticating Agent shall authenticate and deliver, subject to the provisions of Section 12 of this Article, in the name of the transferee, a new registered Bond or Bonds of the same aggregate principal amount as the unpaid principal amount of the surrendered Bond or Bonds.

(b) Any registered owner requesting any transfer shall pay all taxes or other governmental charges required to be paid with respect thereto. Any purported assignment in contravention of the foregoing requirements shall be, as to the County, absolutely null and void. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of and interest on such Bonds shall be made only to or upon the order of the registered owner or his legal representative. All such payments shall be valid and effective to satisfy and discharge the liability of the County upon such Bond to the extent of the sum or sums so paid. No person other than the registered owner shall have any right to receive payments, pursue remedies, enforce obligations, or exercise or enjoy any other rights under any Bond against the County. Notwithstanding the foregoing, nothing herein shall limit the rights of a person having a beneficial interest in any Bond as against a person (including the registered owner) other than the County, as in the case where the registered owner is a trustee or nominee for two or more beneficial owners of an interest in any Bond.

(c) The Bond Registrar shall not be required to exchange or transfer any Bond or portion thereof for the period beginning on the Regular Record Date and ending on the next succeeding Interest Payment Date.

Section 10 Mutilated, Lost, or Stolen Bonds.

In the event any Bond is mutilated, lost, stolen, or destroyed, the County may execute and the Authenticating Agent may authenticate a new Bond of like date, maturity, interest rate, and denomination, as that mutilated, lost, stolen, or destroyed; provided that, in the case of any mutilated Bonds, they shall first be surrendered to the Paying Agent, and in the case of any lost, stolen, or destroyed Bonds, there shall be first furnished to the County and the Paying Agent evidence of their loss, theft, or destruction satisfactory to the County and the Paying Agent, together with indemnity satisfactory to them; provided that in the case of a registered owner which is a bank or insurance company, the agreement of such bank or insurance company to indemnify the County and the Paying Agent shall be sufficient. In the event any such Bonds shall have matured, instead of issuing a duplicate Bond, the County may pay the same without surrender thereof. The County, the Paying Agent, and the Authenticating Agent, may charge the registered owner of such Bond with their reasonable fees and expenses to replace mutilated, lost, stolen, or destroyed Bonds.

Section 11 Exchange of Bonds.

Subject to the provisions of Section 9 of this Article, the Bonds, upon surrender thereof to the Bond Registrar with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or his duly authorized attorney, may, at the option of the registered owner thereof, and upon payment by such registered owner of any charges which the Paying Agent, the Authenticating Agent, or the Bond Registrar may make as provided in Section 12 of this Article, be exchanged for a principal amount of Bonds of any other authorized denominations equal to the unpaid principal amount of surrendered Bonds.

Section 12 Regulations with Respect to Exchanges and Transfers.

In all cases in which the privilege of exchanging or transferring the Bonds is exercised, the County shall execute and the Authenticating Agent shall authenticate and deliver the Bonds in accordance with the provisions of this Ordinance. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Paying Agent. There shall be no charge for such exchange or transfer of the Bonds except that the Paying Agent, the Bond Registrar, and the Authenticating Agent, may make a charge sufficient to reimburse them, or any of them, for any tax or other governmental charge required to be paid with respect to such exchange or transfer.

Section 13 Temporary Bonds.

The Bonds may be initially issued in temporary form, exchangeable for definitive Bonds to be delivered as soon as practicable. The temporary Bonds may be printed, lithographed, or typewritten, shall be of such denominations as may be determined by the County Council, shall be without coupons, and may contain such reference to any of the provisions of this Ordinance as may be appropriate. Every temporary Bond shall be executed by the County upon the same conditions and in substantially the same manner as the definitive Bonds. If the County issues temporary Bonds, it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered for cancellation at the office of the Paying Agent and the Paying Agent shall deliver

and exchange for such temporary Bonds an equal, aggregate principal amount of definitive Bonds of like aggregate principal amount and in authorized denominations of the same maturity or maturities and interest rate or rates. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this Ordinance as definitive Bonds under this Ordinance.

Section 14 Book-Entry Only System for the Bonds.

(a) The provisions of this section shall apply with respect to any Bond registered to Cede & Co. or any other nominee of DTC while the book-entry only system (the "Book-Entry Only System") provided for herein is in effect and shall, during the period of their application, supersede any contrary provisions of this Ordinance.

(b) The Bonds shall be issued as a single Bond for each maturity. On the date of the initial authentication and delivery of all of the Bonds, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC as the registered owner of the Bonds. With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the County shall have no responsibility or obligation to any Participant (which means securities brokers and dealers, banks, trust companies, clearing corporations, and various other entities, some of whom, or their representatives, own DTC) or to any Beneficial Owner (which means, when used with reference to the Book-Entry Only System, the person who is considered the beneficial owner thereof pursuant to the arrangements for book entry determination of ownership applicable to DTC) with respect to the following: (i) the accuracy of the records of DTC, Cede & Co., or any Participant with respect to any ownership interests in the Bonds, (ii) the delivery to any Participant, any Beneficial Owner, or any other person, other than DTC, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any Participant, or any Beneficial Owner, or any other person, other than DTC, of any amount with respect to the principal of or premium, if any, or interest on the Bonds. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of DTC, and all such payments shall be valid and effective fully to satisfy and discharge the County's obligations with respect to the principal of and premium, if any, and interest on such Bonds to the extent of the sum so paid. No person other than DTC shall receive a Bond. Upon delivery by DTC to the County of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the words "Cede & Co." in this section shall refer to such new nominee of DTC.

(c) Upon receipt by the County of written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities hereunder, the County shall issue, transfer, and exchange Bonds as requested by DTC in authorized denominations, and whenever DTC requests the County to do so, the County will cooperate with DTC in taking appropriate action after reasonable notice to arrange for a substitute Securities Depository willing and able upon reasonable and customary terms to maintain custody of the Bonds registered in whatever name or names the registered owners transferring or exchanging such Bonds shall designate in accordance with this section.

(d) In the event the County determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds registered in the name of a registered owner

other than DTC, the County may so notify DTC, whereupon DTC will notify the Participants of the availability through DTC of such Bonds. In such event, upon the return by DTC of Bonds held by DTC in the name of Cede & Co., the County shall issue, transfer, and exchange Bonds in authorized denominations as requested by DTC, and whenever DTC requests the County to do so, the County will cooperate with DTC in taking appropriate action after reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate, in accordance with this section.

(e) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided in the Letter of Representations delivered by the County to DTC.

(f) In the event that the Book-Entry Only System pursuant to this section is discontinued, the Bonds shall be issued, transferred, and exchanged through DTC and its Participants to the Beneficial Owners.

Section 1 Amending and Supplementing of Ordinance Without Consent of Registered Owners of Bonds.

(a) The County Council, from time to time and at any time and without the consent or concurrence of any registered owner of any Bond, may enact an ordinance amendatory hereof or supplemental thereto, if the provisions of such supplemental ordinance shall not materially adversely affect the rights of the registered owners of the Bonds then outstanding, for any one or more of the following purposes:

(i) To make any changes or corrections in this Ordinance as to which the County Council shall have been advised by counsel that the same are verbal corrections or changes or are required for the purpose of curing and correcting any ambiguity or defective or inconsistent provision or omission or mistake or manifest error contained in this Ordinance, or to insert in this Ordinance such provisions clarifying matters or questions arising under this Ordinance as are necessary or desirable;

(ii) To add additional covenants and agreements of the County for the purpose of further securing the payment of the Bonds;

(iii) To surrender any right, power, or privilege reserved to or conferred upon the County by the terms of this Ordinance;

(iv) To grant or confer upon the registered owners of the Bonds any additional rights, remedies, powers, authority, or security that lawfully may be granted to or conferred upon them; or

(v) To make such additions, deletions, or modifications as may be necessary to assure compliance with section 148(f) of the Code relating to required rebate to the United States of America or otherwise as may be necessary to assure the exclusion from gross income of interest on the Bonds for purposes of federal income taxation.

(b) The County Council shall not enact any supplemental ordinance authorized by the foregoing provisions of this Section unless in the opinion of counsel (which opinion may be combined with the opinion required by Section 4 hereof) the enactment of such supplemental ordinance is permitted by the foregoing provisions of this Section and the provisions of such supplemental ordinance do not adversely affect the rights of the registered owners of the Bonds then outstanding.

Section 2 Amending and Supplementing of Ordinance With Consent of Registered Owners of Bonds.

(a) With the consent of the registered owners of not less than a majority in principal amount of the Bonds then outstanding the County Council from time to time and at any time may enact an ordinance amendatory hereof or supplemental hereto for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Ordinance, or modifying or amending the rights or obligations of the County under this Ordinance, or modifying or amending in any manner the rights of the registered owners of the Bonds then outstanding; provided, however, that without the specific consent of the registered owner of each such Bond which would be affected thereby, no supplemental ordinance amending or supplementing the provisions hereof shall: (i) change the fixed maturity date of any Bond or the dates for the payment of interest thereon or the terms of the redemption thereof, or reduce the principal amount of any Bond or the rate of interest thereon or the redemption price (or the redemption premium) payable upon the redemption or prepayment thereof; (ii) reduce the aforesaid percentage of Bonds, the registered owners of which are required to consent to any supplemental ordinance amending or supplementing the provisions of this Ordinance; or (iii) give to any Bond or Bonds any preference over any other Bond or Bonds secured hereby. (b) It shall not be necessary that the consents of the registered owners of the Bonds approve the particular form of the wording of the proposed amendment or supplement or of the supplemental ordinance effecting such amending or supplementing hereof pursuant to this Section. The County shall mail a notice at least once, not more than thirty (30) days after the effective date of such amendment or supplement, of such amendment or supplement postage prepaid, to each registered owner of Bonds then outstanding at his address appearing upon the Books of Registry and to the Paying Agent, but failure to mail copies of such notice to any of the registered owners shall not affect the validity of the supplemental ordinance effecting such amendments or supplements or the consents thereto. Nothing in this paragraph contained, however, shall be construed as requiring the giving of notice of any amendment or supplement of this Ordinance authorised by Section 1 of this Article. No action or proceeding to set aside or invalidate such supplemental ordinance or any of the proceedings for its enactment shall be instituted or maintained unless such action or proceeding is commenced within sixty (60) days after the mailing of the notice required by this paragraph.

Section 3 Notation Upon Bonds; New Bonds Issued Upon Amendments.

Bonds delivered after the effective date of any action taken as provided in this Article may bear a notation as to such action, by endorsement or otherwise and in form approved by the County. In that case, upon demand of the registered owner of any Bond outstanding after such effective date and upon the presentation of the Bond for such purpose at the office of the Paying Agent, and at such additional offices, if any, as the County may select and designate for that purpose, a suitable notation shall be made on such Bond. If the County shall so determine, new Bonds, so modified as in the opinion of the County upon the advice of counsel to conform to the amendments or supplements

Similarly, each financial institution appointed as a successor Paying Agent, Bond Registrar, Authenticating Agent, or escrow agent shall signify its acceptance of the duties and trusts imposed by this Ordinance by a written acceptance.

Section 2 Responsibilities of Fiscal Agents.

The recitals of fact contained herein and in the Bonds shall be taken as the statements of the County and no Fiscal Agent shall be deemed to assume any responsibility for the correctness of the same except in respect of the authentication certificate of the Authenticating Agent endorsed on the

Bonds. No Fiscal Agent shall be deemed to make any representations as to the validity or sufficiency of this Ordinance or of any Bonds or as to the security afforded by this Ordinance, and no Fiscal Agent shall incur any liability in respect thereof. No Fiscal Agent shall be under any responsibility or duty with respect to the application of any moneys paid to any other Fiscal Agent. No Fiscal Agent shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. No Fiscal Agent shall be liable in the performance of its duties hereunder except for its own negligence or wilful misconduct.

Section 3 Evidence on Which Fiscal Agents May Act.

(a) Each Fiscal Agent, upon receipt of any notice, ordinance, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Ordinance, shall examine such instrument to determine whether it conforms to the requirements of this Ordinance and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. Each Fiscal Agent may consult with counsel, who may or may not be of counsel to the County, and the opinion of such counsel shall be full and complete authorisation and protection in respect of any action taken or suffered by it under this Ordinance in good faith and in accordance therewith.

(b) Whenever any Fiscal Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Ordinance, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of the Chairman, and such certificate shall be full warrant for any action taken or suffered in good faith under the provisions of this Ordinance; but in its discretion the Fiscal Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable.

(c) Except as otherwise expressly provided in this Ordinance, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the County to any Fiscal Agent shall be sufficiently executed if executed in the name of the County by the Chairman.

Section 4 Compensation.

The County shall pay to each Fiscal Agent from time to time reasonable compensation based on the then standard fee schedule of the Fiscal Agent for all services rendered under this Ordinance, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Ordinance; provided, however, that any specific agreement between the County and a Fiscal Agent with respect to the compensation of that Fiscal Agent shall control the compensation to be paid to it.

Section 5 Certain Permitted Acts.

Any Fiscal Agent may become the owner or underwriter of any bonds, notes, or other obligations of the County, or conduct any banking activities with respect to the County, with the same rights it would have if it were not a Fiscal Agent. To the extent permitted by law, any Fiscal Agent may act as a depository for and permit any of its officers or directors to effect or aid in any reorganisation growing out of the enforcement of the Bonds or this Ordinance.

Section 6 Resignation of Any Fiscal Agent.

Any Fiscal Agent may at any time resign and be discharged of the duties and obligations created by this Ordinance by giving not less than sixty (60) days' written notice to the County and not less than thirty (30) days' written notice to the registered owners of the Bonds (as established by the Books of Registry) prior to the next succeeding Interest Payment Date, and such resignation shall take effect upon the date specified in such notice unless a successor shall have been appointed previously by the County pursuant to Section 8 of this Article VIII, in which event such resignation shall take effect immediately upon the appointment of such successor. In no event, however, shall such a resignation take effect until a successor has been appointed.

Section 7 Removal of Fiscal Agent.

Any Fiscal Agent may be removed at any time by an instrument or concurrent instruments in writing, filed with the County and such Fiscal Agent, and signed by either the Chairman or the registered owners representing a majority in principal amount of the Bonds then outstanding or their attorneys in fact duly authorised.

Section 8 Appointment of Successor Fiscal Agents.

(a) In case any Fiscal Agent hereunder shall resign or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public officer or officers, or of a receiver appointed by a court, a successor shall be appointed by the County. Every such Fiscal Agent appointed pursuant to the provisions of this Section 8 shall be a trust company or bank organised under state or federal laws and which is in good standing, within or outside the State of South Carolina, having a stockholders' equity of not less than \$25,000,000 if there be such institution willing, qualified, and able to accept the trust upon reasonable and customary terms.

(b) If in a proper case no appointment of a successor Fiscal Agent shall be made by the County pursuant to the foregoing provisions of this Section 8 within forty-five (45) days after any Fiscal Agent shall have given to the County written notice as provided in Section 6 of this Article VIII or after a vacancy in the office of such Fiscal Agent shall have occurred by reason of its removal or inability to act, the former Fiscal Agent or any registered owner may apply to any court of competent jurisdiction to appoint a successor. Said court may thereupon, after notice, if any, as the court may deem proper, appoint a successor.

Section 9 Transfer of Rights and Property to Successor.

Any successor Fiscal Agent appointed under this Ordinance shall execute, acknowledge, and deliver to its predecessor, and also to the County, an instrument accepting such appointment, and thereupon the successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties, and obligations of the predecessor Fiscal Agent, with like effect as if originally named in that capacity; but the Fiscal Agent ceasing to act shall nevertheless, at the request of the County or at the written request of the successor Fiscal Agent, execute, acknowledge, and deliver, all instruments of conveyance and further assurance and do all things as may reasonably be required for more fully and certainly vesting and confirming in the successor Fiscal Agent all the right, title, and interest, of the predecessor Fiscal Agent in and to any property held by it under this Ordinance, and shall pay over, assign, and deliver, to the successor Fiscal Agent any money or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing, from the County be required by such successor Fiscal Agent for more fully and certainly vesting in and confirming to such successor any such estates, rights, powers, and duties, any and all such deeds, conveyances, and instruments in writing, shall, on request, and so far as may be authorised by law, be executed, acknowledged, and delivered, by the County. Each successor Fiscal Agent shall promptly notify the other Fiscal Agents, if any, of its appointment as Fiscal Agent.

Section 10 Merger or Consolidation.

Any corporation or other organisation into which any Fiscal Agent may be merged or converted or with which it may be consolidated or any corporation or other organisation resulting from any merger, conversion, or consolidation or other organisation to which it may be party or any corporation or other organisation to which any Fiscal Agent may sell or transfer all or substantially all of its corporate trust business, provided such corporation or other organisation shall be a bank or trust company organised under state or federal laws, and shall be authorised by law to perform all the duties imposed upon it by this Ordinance, shall be the successor to such Fiscal Agent without the execution or filing of any paper or the performance of any further act.

Section 11 Adoption of Authentication.

In case any of the Bonds contemplated to be issued under this Ordinance shall have been authenticated but not delivered, any successor Authenticating Agent may adopt the certificate of authentication of any predecessor Authenticating Agent so authenticating such Bonds and deliver such Bonds so authenticated. In case any such Bonds shall not have been authenticated, any successor Authenticating Agent may authenticate such Bonds in the name of the predecessor Authenticating Agent or in the name of the successor Authenticating Agent, and in all such cases such certificate shall be of full force and effect.

Whenever in this Ordinance the time within which any action is required to be taken or within which any right will lapse or expire shall terminate on a Saturday, Sunday, or legal holiday or bank holiday in the State of South Carolina or in a state where the office of any Fiscal Agent is located, the time shall continue to run until midnight on the next succeeding secular or business day.

Section 8 Partial Invalidity.

(a) If any one or more of the covenants or agreements or portions thereof provided in this Ordinance on the part of the County or any Fiscal Agent to be performed should be determined by a court of competent jurisdiction to be contrary to law, then such covenant or covenants, or such agreement or agreements, or such portions thereof, shall be deemed severable from the remaining covenants and agreements or portions thereof provided in this Ordinance and the invalidity thereof shall in no way affect the validity of the other provisions of this Ordinance or of the Bonds, but the

registered owners of the Bonds shall retain all the rights and benefits accorded to them hereunder and under any applicable provisions of law.

(b) If any provisions of this Ordinance shall be held or deemed to be or shall, in fact, be inoperative or unenforceable or invalid as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable or invalid in any other case or circumstance, or of rendering any other provision or provisions herein contained inoperative or unenforceable or invalid to any extent whatever.

Section 9 Continuing Disclosure Undertaking.

(a) Pursuant to Section 11-1-85 of the Code of Laws of South Carolina 1976, as amended (“Section 11-1-85”), the County Council covenant to file with a central repository for availability in the secondary bond market when requested:

(i) An annual independent audit, within thirty days of the County Council’s receipt of the audit; and

(ii) Event specific information within 30 days of an event adversely affecting more than five percent of the aggregate of revenues of the County.

The only remedy for failure by the County Council to comply with the covenant in this Section 9 shall be an action for specific performance of this covenant. The County Council specifically reserves the right to amend this covenant to reflect any change in Section 11-1-85, without the consent of any registered owner of any Bonds.

(b) In addition, the County Council hereby authorise the Chairman of County Council or the Finance Director of the County to execute the Continuing Disclosure Undertaking, in the form approved by the Finance Director of the County, upon the advice of the Financial Advisor or bond counsel. The County Council further hereby covenant and agree that they will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this Ordinance, failure of the County Council to comply with the Continuing Disclosure Undertaking shall not be considered an event of default with respect to the Bonds; however, any registered owner may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the County Council to comply with their obligations under this paragraph.

Section 10 Law and Place of Enforcement of the Ordinance.

WHEREAS, Colleton County, South Carolina (the “County”), acting by and through its County Council (the “County Council”), is authorised and empowered under and pursuant to the provisions of Title 4, Chapter 1 (the “MCIP Act”) of the Code of Laws of South Carolina 1976, as amended (the “Code”) to provide for payments in lieu of taxes (“Fee Payments”) with respect to property located in a multi-county business or industrial park created under the MCIP Act and pursuant to Sections 12-44-70, 4-1-175, and 4-29-68 of the Code (the “SSRC Act”), to permit investors to claim infrastructure or special source revenue credits against their Fee Payments to reimburse such investors for expenditures for infrastructure serving Colleton County and improved or unimproved real estate and personal property, including machinery and equipment, used or to be used in the operation of a manufacturing or commercial enterprise in order to enhance the economic development of Colleton County (“Infrastructure Improvements”); and to create, in conjunction with one or more other counties, a multi-county park in order to afford certain enhanced tax credits to such investors and facilitate the grant of infrastructure or special source revenue credits; and

WHEREAS, Project C (the “Company”) proposes to lease real property located at _____ (the “Project Site”) and to construct thereon one or more buildings, and to furnish and equip said buildings, as a modern, state-of-the-art maintenance, repair, overhaul (“MRO”), and aviation services facility (the “Project”); and

WHEREAS, the Project, when completed, will represent an anticipated capital investment by the Company in the aggregate not less than \$3,270,000 in the buildings and new machinery and equipment to be located at the Project Site; and

WHEREAS, the County has been advised by the Company that upon completion of the Project, the Project is anticipated to employ approximately 127 full-time employees; and

WHEREAS, the County has made specific proposals, including proposals to offer certain economic development incentives set forth herein, to assist the Company in defraying the costs of infrastructure servicing or comprising the Project (the "Incentives"); and

WHEREAS, it is in the public interest, for the public benefit, and in furtherance of the public purposes of the MCIP Act that the County Council provide final approval for qualifying the Project under the MCIP Act and SSRC Act for the Incentives;

NOW, THEREFORE, BE IT ORDAINED by the County Council as follows:

Section 1. Evaluation of the Project. County Council have evaluated the Project on the following criteria based upon the advice and assistance of the South Carolina Department of Revenue and the Board of Economic Advisors:

- (a) Subject to the provisions of the Infrastructure Credit Agreement between the County and the Company (the “Infrastructure Credit Agreement”), the County shall provide to the Company an annual SSRC against the tax payments attributable to the Project (the “Project Fee Payments”), in an amount that annually reduces the Project Fee Payments to an equivalent payment calculated (i) at a four percent (4%) assessment ratio, and (ii) at the fixed millage rate of ___ mils, beginning for the property tax year 20__ (payment for which is due on or about January 15, 20__) and continuing for 25 years through the property tax year 20__ (payment for which is due on or about January 15, 20__); and
- (b) The Company shall agree to invest at least \$3,700,000, including the costs of constructing the buildings and improvements on the Project Site, and the furnishing and equipping thereof and to create at least 127 new full-time jobs at the Project by _____, 20__;

all as more fully set forth in the Infrastructure Credit Agreement; provided, however, that such SSRCs shall not, in the aggregate, exceed the aggregate cost of the Infrastructure Improvements funded from time to time by the Company.

Section 4. Execution of the Infrastructure Credit Agreement. The form, terms, and provisions of the Infrastructure Credit Agreement presented to this meeting and filed with the Clerk of the County Council be and hereby are approved, and all of the terms, provisions, and conditions thereof are hereby incorporated herein by reference as if such Infrastructure Credit Agreement were set out in this Ordinance in its entirety. In the Infrastructure Credit Agreement, the County will agree to maintain such designation for a term of at least 25 years to fund the SSRCs, subject to earlier termination as provided therein.

- (b) Pursuant to the terms of the MCIP Act and the MCIP Agreement, the County

hereby provides that for the term of the Infrastructure Credit Agreement commencing with the first tax year in which the Fee Payments are generated by the Project and payable to the County in accordance with the terms of the MCIP Agreement will be distributed as follows:

- (1) After deducting any amounts distributed to the Partner County, to the County an amount equal to the total SSRCs to be provided in such year pursuant to Section 3 hereof; and

RESOLUTION NO. 15-R-34

COUNCIL-ADMINISTRATOR FORM OF GOVERNMENT FOR COLLETON COUNTY

[A Resolution Supporting State Efforts to Find Solutions to the Funding Needs for State Maintained and Operated Roads and Bridges Without Transferring the Burden to Local Governments and Opposing Any Actions Taken by the General Assembly that through Lack of State Funding will lead to Increased Taxes on the Citizens of Colleton County.]

WHEREAS:

1. Colleton County, along with the vast majority of citizens, acknowledges that South Carolina's infrastructure is in desperate need of repairs and funding sources; and
2. It is widely understood that the State has failed to sufficiently address and fund road and bridge projects over the years; and
3. Only 10% of the non-federal aid eligible secondary roads assigned for transfer are in good condition while 90% are in fair or poor condition, and
4. The Department of Transportation is in a much better position to assess the needs and to perform the necessary maintenance on these roads in the state system, and
5. H. 3579 claims that the dumping of State roads onto counties is "optional" and comes with "adequate" funding, but the option is left to the County Transportation Committee (CTC) and not the County Council and the proposed funding is insufficient to repair and maintain the nearly 19,000 miles of roads; and
6. Devolving this authority onto an appointed body renders this legislation constitutionally suspect; and
7. If the CTC does not refuse the roads then the County is forced to accept the financial responsibility, maintenance, and liability of the roads; and
8. The bill places too much power with the CTC, which is not liable or accountable to the taxpayers if the funding is insufficient or if the CTC elects to spend the money on other projects such as state-owned roads; and
9. Insufficient funding would result in a potential local tax increase on County citizens to pay for maintenance and repair on the deteriorating roads.

**NOW THEREFORE BE IT RESOLVED BY THE COLLETON COUNTY COUNCIL
DULY ASSEMBLED THAT:**

Colleton County Council is opposed to any legislative efforts to transfer state-owned roads to local governments and requests that all members of the South Carolina General Assembly refuse further consideration of any proposed legislation.
